

# **DUAL POSITION PHOENIX HOLSTERS - GALCO INTERNATIONAL**

## **DUAL POSITION PHOENIX S&W N FRAME 625 5" -TAN-LEFT HAND**

[Home](#)

This exceptional sportsman's holster can be used strong side or crossdraw at the user's discretion. The Dual Position Phoenix™ features stitched sight rails to protect both leather and sights, reinforced thumb break with covered snap for security in the brush and a swift draw, and tension screw adjustment for a custom fit to your handgun. Constructed of premium saddle leather with silicone suede lining, the Dual Position Phoenix fits belts up to 1 3/4". Made for semiautomatic pistols and double-action revolvers, the Dual Position Phoenix is available in right and left hand designs in tan.

# Consumer Safety Instruction Guide for DUAL POSITION PHOENIX HOLSTERS

## Introduction

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER by GALCO INTERNATIONAL. This guide is designed to provide you with important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using your product.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Smith & Wesson 625 5" N Frame).
- Always keep the holster and firearm in a secure location, away from children and unauthorized users.
- Inspect the holster regularly for signs of wear or damage. Do not use a damaged holster.
- Familiarize yourself with your firearm's operation and safety features before using the holster.
- Always handle firearms with care and follow all local laws and regulations regarding firearm use and storage.
- If you experience any issues with the holster, discontinue use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded when inserting or removing it from the holster.
- Use the holster only for its intended purpose: carrying your firearm.
- Avoid exposing the holster to extreme temperatures or moisture, which may affect its integrity and performance.
- When using the holster in a crossdraw position, ensure that you have ample space to avoid accidental discharge.
- Be mindful of your surroundings when drawing or reholstering your firearm to prevent accidents.

## Instructions for Installation and Usage

### • Installation:

1. Choose the appropriate carry position (strong side or crossdraw) based on your preference.
2. Ensure that the holster is positioned securely on your belt, fitting belts up to 1 3/4".
3. Adjust the tension screw as needed for a custom fit to your handgun.

### • Usage:

1. Always check that your firearm is unloaded before placing it in the holster.
2. Insert the firearm into the holster, ensuring it is seated properly.
3. Secure the retention strap with the reinforced thumb break to ensure the firearm is held securely.
4. To draw the firearm, release the retention strap and use a swift motion to remove it from the holster.
5. When reholstering, ensure that the area is clear and that the firearm is pointed in a safe direction.

## Disposal Instructions

- Dispose of the holster responsibly when it is no longer in use.
- If the holster is damaged or worn out, consider recycling it according to local waste management guidelines.
- Ensure that any firearms or ammunition are removed and stored safely before disposing of the holster.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the DUAL POSITION PHOENIX HOLSTER, please contact GALCO INTERNATIONAL through the appropriate channels available in your region.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy using your DUAL POSITION PHOENIX HOLSTER responsibly.
