## **DUAL POSITION PHOENIX S&W N FRAME 29 4" -TAN-RIGHT HAND**

[Home](#)

This exceptional sportsman's holster can be used strong side or crossdraw at the user's discretion. The Dual Position Phoenix™ features stitched sight rails to protect both leather and sights, reinforced thumb break with covered snap for security in the brush and a swift draw, and tension screw adjustment for a custom fit to your handgun. Constructed of premium saddle leather with silicone suede lining, the Dual Position Phoenix fits belts up to 1 3/4". Made for semiautomatic pistols and double-action revolvers, the Dual Position Phoenix is available in right and left hand designs in tan.

# **DUAL POSITION PHOENIX HOLSTERS Safety Instructions**

## **Introduction**

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER from GALCO INTERNATIONAL. This product is designed to provide a secure and comfortable method for carrying your Smith & Wesson N Frame 29 4" handgun. To ensure your safety and the longevity of your holster, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Ensure that the holster is used only for its intended purpose: carrying handguns.
- Always keep the holster and its contents out of reach of children and unauthorized users.
- Regularly inspect the holster for signs of wear or damage. Discontinue use if any damage is found.
- Be aware of your surroundings when using the holster, especially in crowded or confined spaces.
- Always follow local laws and regulations regarding firearm carry and use.

## **Specific Safety Precautions for Use**

- Always ensure that your handgun is unloaded before inserting it into the holster.
- When drawing your handgun from the holster, ensure that your finger is off the trigger until you are ready to shoot.
- Adjust the tension screw for a secure fit that allows for a smooth draw without excessive resistance.
- Use the reinforced thumb break for added security while carrying your handgun.
- Avoid exposing the holster to extreme temperatures, moisture, or direct sunlight for prolonged periods to prevent damage.

## **Instructions for Installation and Usage**

### **1. Holster Placement:**

- For strong side carry, position the holster on your dominant side.
- For crossdraw carry, position the holster on the opposite side of your dominant hand.

### **2. Adjusting the Holster:**

- Adjust the tension screw to achieve the desired retention for your handgun. Turn clockwise to increase tension and counterclockwise to decrease tension.

### **3. Inserting the Handgun:**

- Ensure the handgun is unloaded.
- Carefully slide the handgun into the holster, ensuring that it is fully seated.

### **4. Drawing the Handgun:**

- Grip the holster with your nondominant hand to stabilize it.
- Use your dominant hand to draw the handgun, ensuring your finger remains off the trigger until you are ready to fire.

### **5. Securing the Holster:**

- Use the reinforced thumb break to secure the handgun in the holster when not in use.

- Ensure the holster is properly secured to your belt, allowing for a comfortable fit.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations for leather products.
- If the holster is damaged beyond repair, consider recycling the leather material if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the DUAL POSITION PHOENIX HOLSTER, please refer to the manufacturer's website or customer service for assistance. Ensure to have your product details ready for efficient support.

Thank you for following these safety instructions. Your safety and satisfaction are our priority. Enjoy your DUAL POSITION PHOENIX HOLSTER responsibly.
