# DUAL POSITION PHOENIX HOLSTERS Safety Instruction Guide

## Introduction

Thank you for choosing the Dual Position Phoenix Holster by Galco International. This holster is designed for use with Smith & Wesson Model 29 4" handguns and offers versatility for both strong side and crossdraw carry. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Regularly inspect the holster for any signs of wear or damage. Do not use if any damage is found.
- Ensure that the holster is properly adjusted to fit your firearm securely.
- Store the holster in a safe location, away from children and unauthorized users.
- Avoid exposing the holster to extreme temperatures or moisture, as this may affect its integrity and performance.
- Always follow local laws and regulations regarding firearm carrying and storage.

## Specific Safety Precautions for Use

- When drawing your firearm from the holster, ensure that your finger is off the trigger until you are ready to fire.
- Practice drawing and reholstering your firearm in a safe environment to become proficient with the holster.
- Be cautious of your surroundings when carrying a firearm in the holster to avoid accidental discharge.
- If using the holster for crossdraw, be aware of the potential for the firearm to be more accessible to others.
- Ensure that the holster is securely attached to your belt and that the retention strap is properly engaged.

## Instructions for Installation and Usage

### 1. Fitting the Holster:

- Insert your unloaded firearm into the holster to ensure a proper fit.
- Adjust the tension screw, if necessary, to achieve a secure fit without excessive force.

### 2. Wearing the Holster:

- Slide the holster onto your belt. Ensure that it is positioned comfortably on your hip for strong side or across your body for crossdraw.
- Fasten your belt securely to prevent the holster from shifting during movement.

### 3. Using the Holster:

- To draw your firearm, release the retention strap by pressing the covered snap and pull the firearm straight out of the holster.
- To reholster, ensure that your firearm is pointed in a safe direction and that your finger is off the trigger. Carefully slide the firearm back into the holster until it is fully seated.

## **Disposal Instructions**

- When disposing of the holster, ensure that it is done in accordance with local regulations.
- If the holster is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the holster in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**
