# **DUAL POSITION PHOENIX HOLSTERS Safety Instruction Guide**

## **Introduction**

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER by GALCO INTERNATIONAL. This guide provides important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the holster is compatible with your firearm model, specifically designed for the Smith & Wesson Model 29 6" N Frame.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Inspect the holster regularly for any signs of wear or damage. Do not use if damaged.
- Ensure that the holster is securely fastened to your belt before use.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times.

## **Specific Safety Precautions for Use**

- When using the holster in the crossdraw position, ensure that the firearm is easily accessible and does not obstruct movement.
- Always secure the retention strap and thumb break when carrying your firearm in the holster.
- Adjust the tension screw to ensure a snug fit for your handgun, preventing it from falling out during movement.
- Avoid exposing the holster to extreme temperatures, moisture, or chemicals that may degrade the leather material.
- Do not overload the holster with additional accessories or items that may interfere with its primary function.

## **Instructions for Installation and Usage**

### **1. Fitting the Holster:**

- Slide the holster onto your belt, ensuring it fits securely.
- For righthand use, position the holster on your strong side. For crossdraw, position it on the opposite side.

### **2. Adjusting the Tension:**

- Use the tension screw located on the holster to adjust the fit of your firearm. Turn clockwise to tighten and counterclockwise to loosen.
- Test the fit with your firearm to ensure it is secure but allows for a quick draw.

### **3. Securing the Firearm:**

- Place your firearm into the holster, ensuring that it is seated properly.
- Secure the retention strap over the firearm and snap it closed to prevent accidental release.

### **4. Drawing the Firearm:**

- To draw your firearm, release the retention strap and thumb break.

- Practice drawing your firearm in a safe environment to ensure smooth and quick access.

#### **5. Removing the Holster:**

- To remove the holster, unsnap the retention strap and slide it off your belt.

## **Disposal Instructions**

- When disposing of the holster, ensure that it is done in an environmentally friendly manner.
- If the holster is damaged or no longer usable, consider recycling the leather material where possible.
- Follow local regulations for the disposal of leather products.

## **Contact Information for Further Support**

For any inquiries regarding safety, use, or product concerns, please reach out to the appropriate EU contact point or your retailer. Always check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy using your DUAL POSITION PHOENIX HOLSTER responsibly.
