

DUAL POSITION PHOENIX HOLSTERS - GALCO INTERNATIONAL

DUAL POSITION PHOENIX 1911 5" -TAN-LEFT HAND

[Home](#)

This exceptional sportsman's holster can be used strong side or crossdraw at the user's discretion. The Dual Position Phoenix™ features stitched sight rails to protect both leather and sights, reinforced thumb break with covered snap for security in the brush and a swift draw, and tension screw adjustment for a custom fit to your handgun. Constructed of premium saddle leather with silicone suede lining, the Dual Position Phoenix fits belts up to 1 3/4". Made for semiautomatic pistols and double-action revolvers, the Dual Position Phoenix is available in right and left hand designs in tan.

Safety Instruction Guide for DUAL POSITION PHOENIX HOLSTERS

Introduction

Thank you for choosing the DUAL POSITION PHOENIX HOLSTERS by GALCO INTERNATIONAL. This holster is designed for safe and effective use with your 1911 5" handgun. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

General Safety Guidelines

- Product Safety:
 - Always ensure that your holster is in good condition before use.
 - Inspect the holster regularly for any signs of wear or damage.
- Enhanced Recalls:
 - Stay informed about product recalls and safety notices related to your holster.
- Online Shopping:
 - When purchasing online, ensure that the seller complies with safety regulations.
- Special Consumer Focus:
 - Keep the holster and any firearms out of reach of children and unauthorized users.
- EU Contact Point:
 - For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- Rapid Alerts:
 - Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before placing it in the holster.
- Use the holster only for its intended purpose—carrying a 1911 5" handgun.
- When drawing your firearm from the holster, ensure that your finger is off the trigger until you are ready to shoot.
- Adjust the tension screw according to your preference for a secure fit.
- Avoid exposing the holster to extreme temperatures, moisture, or direct sunlight to prevent damage.
- Do not carry the holster in a manner that may cause it to snag or become dislodged.
- If you notice any unusual wear or damage, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Slide the holster onto your belt, ensuring it is positioned securely.
- Adjust the tension screw to achieve a custom fit for your handgun.

- Ensure that the holster is positioned comfortably on your body, whether for strong side or crossdraw carry.

2. Usage:

- To insert your firearm:
 - Ensure the firearm is unloaded.
 - Carefully place the firearm into the holster, ensuring it is seated properly.
- To draw your firearm:
 - Securely grip the holster with one hand.
 - With your other hand, draw the firearm while keeping your finger off the trigger.
- When reholstering:
 - Ensure the area is clear and safe.
 - Slowly and carefully place the firearm back into the holster, ensuring it is fully seated.

Disposal Instructions

- When disposing of the holster, consider recycling options if available.
- If the holster is damaged beyond use, dispose of it in accordance with local waste disposal regulations.
- Ensure that any firearms or ammunition are removed and properly stored or disposed of before disposing of the holster.

Contact Information for Further Support

For any questions or concerns regarding the DUAL POSITION PHOENIX HOLSTERS, please refer to the contact information provided by the retailer or manufacturer. It is important to address any safety inquiries promptly to ensure your wellbeing and the safety of others.

Thank you for your attention to these safety instructions. Enjoy the use of your holster responsibly and safely!
