

# TACSLIDE HOLSTERS - GALCO INTERNATIONAL TACSLIDE S&W M&P 9/40-BLACK-RIGHT HAND

[Home](#)

Galco's TacSlide™ combines steerhide and Kydex® for a belt holster that is fast, concealable, and very economical! The wide spacing of the 1 3/4" belt slots pulls the handgun in tight to the body for excellent concealment. The TacSlide's silhouetted, belt-slide design accommodates multiple barrel lengths on the same basic frame size while simultaneously minimizing overall bulk. The steerhide backplate is smooth where it rides against the wearer's body, greatly increasing comfort.

# TACSLIDE HOLSTERS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Galco TacSlide Holster for your Smith & Wesson M&P 9/40. This guide provides important safety instructions and usage information to ensure your holster is used safely and effectively. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before inserting or removing it from the holster.
- Inspect the holster regularly for any signs of wear or damage. Do not use if damaged.
- Store the holster in a safe location, away from children and unauthorized users.
- Ensure that the holster is compatible with your specific firearm model to guarantee proper fit and safety.
- Follow all local laws and regulations regarding firearm carry and use.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the holster fits your firearm snugly. An improper fit can lead to accidental discharge.
- **Concealment:** When using the holster, ensure that it is properly concealed to avoid drawing unnecessary attention.
- **Belt Compatibility:** Use a belt that is compatible with the 1 3/4" belt slots. A weak or incompatible belt may not securely hold the holster in place.
- **Body Positioning:** Position the holster on your body in a way that allows for a smooth draw while minimizing the risk of accidental contact with the trigger.
- **Training:** Familiarize yourself with the holster and practice drawing your firearm safely. Consider seeking professional training if you are inexperienced.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the holster onto your belt through the 1 3/4" belt slots.
- Ensure that the holster is positioned securely on your hip for easy access.

### 2. Usage:

- Always check that your firearm is unloaded before placing it into the holster.
- Insert the firearm into the holster, ensuring it is seated properly.
- Adjust the holster if necessary to ensure comfort and accessibility.
- When drawing the firearm, ensure your finger is off the trigger until you are ready to shoot.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations. If the holster is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the holster in regular household waste if it contains any hazardous materials.

## Contact Information for Further Support

For any questions or safety inquiries regarding your TacSlide Holster, please refer to the official Galco International website or contact their customer service. Ensure you have the product model and details available for reference.

By following these guidelines, you will help ensure your safety and the safety of those around you while using the Galco TacSlide Holster. Thank you for your attention to these important safety instructions.
