

TACSLIDE HOLSTERS - GALCO INTERNATIONAL TACSLIDE GLOCK® 21-BLACK-RIGHT HAND

[Home](#)

Galco's TacSlide™ combines steerhide and Kydex® for a belt holster that is fast, concealable, and very economical! The wide spacing of the 1 3/4" belt slots pulls the handgun in tight to the body for excellent concealment. The TacSlide's silhouetted, belt-slide design accommodates multiple barrel lengths on the same basic frame size while simultaneously minimizing overall bulk. The steerhide backplate is smooth where it rides against the wearer's body, greatly increasing comfort.

TACSLIDE HOLSTERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Galco TacSlide Holster for your Glock 21. This guide provides important safety information and instructions to ensure the safe use and maintenance of your holster. Please read this guide carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Always ensure that your firearm is unloaded when inserting or removing it from the holster.
- Avoid exposing the holster to extreme temperatures, moisture, or direct sunlight for prolonged periods, as this may affect the material integrity.
- Regularly inspect the holster for signs of wear or damage. If any issues are found, discontinue use immediately.
- Keep the holster out of reach of children and unauthorized users.
- Ensure that the holster is securely fastened to your belt before carrying your firearm.
- Be aware of your surroundings and ensure that your firearm is safely concealed when in public.

Specific Safety Precautions for Use

- **Firearm Compatibility:** The TacSlide Holster is designed specifically for the Glock 21. Do not use it with other firearms.
- **Positioning:** Wear the holster on the right side of the body as intended. Ensure that the firearm is positioned for easy access while maintaining proper concealment.
- **Drawing the Firearm:** Practice drawing your firearm from the holster in a safe environment to ensure proficiency. Always point the firearm in a safe direction when drawing.
- **Belt Size:** The holster fits belts up to 1 3/4 inches wide. Ensure your belt is compatible to secure the holster properly.

Instructions for Installation and Usage

1. Installation:

- Thread your belt through the holster's belt slots.
- Position the holster on your right side, ensuring it is comfortable and secure against your body.
- Adjust the angle of the holster to your preference, keeping in mind the need for quick access to your firearm.

2. Usage:

- To insert your firearm, ensure it is unloaded.
- Slide the firearm into the holster, ensuring it is seated properly and securely.
- To remove the firearm, grasp the grip firmly and draw it straight out of the holster while keeping your finger off the trigger until you are ready to fire.

Disposal Instructions

- When disposing of the TacSlide Holster, ensure that it is done in an environmentally responsible manner.
- If the holster is damaged beyond repair, consider recycling the materials where possible.
- Check with local waste management authorities for specific disposal guidelines for Kydex and leather materials.

Contact Information for Further Support

For any safety inquiries, product recalls, or further assistance, please refer to the official Galco International website or contact your local retailer. Always ensure that you have the latest information regarding your product.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Galco TacSlide Holster. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important details.
