

TACSLIDE HOLSTERS - GALCO INTERNATIONAL TACSLIDE SIG SAUER P226-BLACK-RIGHT HAND

[Home](#)

Galco's TacSlide™ combines steerhide and Kydex® for a belt holster that is fast, concealable, and very economical! The wide spacing of the 1 3/4" belt slots pulls the handgun in tight to the body for excellent concealment. The TacSlide's silhouetted, belt-slide design accommodates multiple barrel lengths on the same basic frame size while simultaneously minimizing overall bulk. The steerhide backplate is smooth where it rides against the wearer's body, greatly increasing comfort.

TACSLIDE Holsters Safety Instruction Guide

Introduction

Thank you for choosing the TACSLIDE Holster by Galco International. This guide is designed to provide you with essential safety instructions and guidelines for the proper use, installation, and disposal of your holster. Please read this document carefully to ensure safe handling and usage.

General Safety Guidelines

- Always ensure that the firearm is unloaded before inserting it into the holster.
- Do not use the holster with firearms that are not compatible with its design.
- Store the holster in a safe location away from children and unauthorized users.
- Regularly inspect the holster for wear and damage. Replace if any signs of deterioration are observed.
- Be aware of your surroundings when drawing or reholstering your firearm.
- Follow all local laws and regulations regarding firearm carry and holstering.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the holster is specifically designed for the Sig Sauer P226 model.
- **Retention:** Confirm that the firearm is securely retained in the holster before movement.
- **Body Positioning:** Position the holster on your body in a way that allows for quick access while minimizing the risk of accidental discharge.
- **Clothing:** Wear clothing that does not obstruct access to the holster or create a risk of snagging during the draw.
- **Training:** Consider professional training on the safe handling and use of firearms and holsters.

Instructions for Installation and Usage

1. Installation:

- Identify the desired position on your belt for the holster.
- Slide the holster onto the belt through the 1 3/4" belt slots.
- Adjust the holster to ensure it is positioned comfortably against your body.

2. Usage:

- Always ensure the firearm is unloaded before holstering.
- Grip the firearm firmly and draw it smoothly from the holster.
- When reholstering, ensure that the area is clear and that the firearm is pointed in a safe direction.
- Avoid using excessive force when inserting the firearm back into the holster.

Disposal Instructions

- Dispose of the holster in accordance with local waste management regulations.
- If the holster is damaged or no longer needed, consider recycling materials if possible.
- Ensure that the holster is not accessible to children or unauthorized individuals during disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TACSLIDE Holster, please consult the manufacturer or your local authorized dealer for assistance.

By following these guidelines, you can ensure a safe and effective experience with your TACSLIDE Holster.

Always prioritize safety and responsibility when handling firearms.
