

# KODIAK SHOULDER HOLSTERS - GALCO INTERNATIONAL KODIAK S&W X FRAME 460 8 3/8" -HAVANA-LEFT HAND

[Home](#)

Designed to keep a large hunting handgun both comfortable and accessible, Galco's new Kodiak™ Shoulder Holster carries a magnum revolver diagonally across the torso. Using the same principles as modern backpacks, a padded shoulder strap is used in conjunction with a torso strap that allows for instant adjustments throughout a day spent afield. As the torso strap is tightened, weight is shifted off the shoulder strap, allowing for a full day of comfortable field carry. Actual placement and angle of the Kodiak holster on the front torso can be easily changed throughout the day to accommodate most field activities, including driving ATVs and trucks, without interfering with the normal range of motion. No screws or tools are needed to make adjustments to accommodate heavy winter clothes, wear under the coat, or simply over a shirt in warm weather. Does not include ammo bandolier.

# KODIAK SHOULDER HOLSTERS Safety Instruction Guide

## Introduction

Thank you for choosing the KODIAK Shoulder Holster by Galco International. This product is designed for safe and comfortable carrying of large hunting handguns. Please read this safety instruction guide carefully to ensure safe use and proper handling of your holster.

## General Safety Guidelines

- Ensure the holster is suitable for your specific firearm model (Smith & Wesson X Frame 460).
- Always keep the firearm unloaded when not in use.
- Store the holster and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the holster for wear and damage before each use.
- Do not modify the holster in any way that may affect its safety or functionality.
- Follow all local laws and regulations related to firearm carrying and usage.

## Specific Safety Precautions for Use

- When wearing the holster, ensure that it is properly adjusted to fit your body comfortably.
- Make sure the firearm is securely placed in the holster before moving.
- Avoid any activities that may cause the firearm to shift or become dislodged from the holster.
- Be cautious when driving or operating vehicles; ensure the holster does not obstruct your movement or visibility.
- If you experience discomfort or pain while wearing the holster, remove it and adjust the fit or consult a professional.
- Do not wear the holster over clothing that may catch on the firearm or impede access.

## Instructions for Installation and Usage

### 1. Fitting the Holster:

- Adjust the padded shoulder strap and torso strap to achieve a comfortable fit.
- Ensure that the holster is positioned diagonally across your torso, with the firearm accessible.

### 2. Securing the Firearm:

- Carefully place the unloaded firearm into the holster.
- Ensure that the firearm is securely held in place and cannot easily fall out.

### 3. Adjusting for Clothing:

- If wearing heavy winter clothing, adjust the torso strap to accommodate the extra bulk.
- For warm weather, you may wear the holster over a shirt or under a coat as preferred.

### 4. Daily Use:

- Throughout the day, check the holster for comfort and adjust the straps as necessary.
- If you need to remove the holster, do so carefully to avoid any accidental discharge.

### 5. PostUse Care:

- After use, remove the firearm from the holster and store it safely.

- Clean the holster as per the manufacturer's instructions to maintain its condition.

## **Disposal Instructions**

- When disposing of the holster, ensure that it is done in an environmentally friendly manner.
- Check local regulations for proper disposal methods of leather products.
- If the holster is damaged beyond repair, consider recycling the materials if possible.

## **Contact Information for Further Support**
