PLE Paddle Holster Safety Instructions

Introduction

Thank you for choosing the PLE Paddle Holster by Galco International for your Glock® 26. This guide provides essential safety instructions to ensure the proper use, installation, and maintenance of your holster. Please read this document carefully to understand how to safely use your holster.

General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Use the holster only for its intended purpose. This holster is designed specifically for Glock® 26 models.
- Keep the holster out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and damage. Replace it if any signs of deterioration are found.
- Be aware of your surroundings when drawing your firearm from the holster.
- Do not attempt to modify the holster in any way, as this may compromise its safety features.

Specific Safety Precautions for Use

- Ensure that the thumb break retention strap is securely fastened when the firearm is holstered.
- Practice drawing your firearm from the holster in a safe environment to ensure you can do so quickly and effectively.
- Do not overload the holster with accessories or attachments that are not designed for use with this product.
- Avoid exposing the holster to extreme temperatures or harsh chemicals, as this may damage the leather material.
- Always wear the holster on the appropriate side of your body, ensuring it is positioned for easy access and comfort.

Instructions for Installation and Usage

1. Attaching the Holster:

- Slide the paddle portion of the holster over your belt.
- Adjust the position of the holster to ensure it is comfortable and accessible.
- Make sure the holster is securely in place before inserting your firearm.

2. Holstering Your Firearm:

- Ensure the firearm is unloaded.
- Grip the firearm firmly and insert it into the holster.
- Secure the thumb break retention strap over the firearm to ensure it is held in place.

3. Drawing Your Firearm:

- Stand in a stable position with your feet shoulderwidth apart.
- With your dominant hand, grasp the grip of the firearm.
- With your other hand, press the thumb break retention strap to release it.
- Draw the firearm smoothly from the holster, maintaining control at all times.

4. Removing the Holster:

- To remove the holster, slide it off your belt.
- Ensure the firearm is holstered and secured before removing the holster.

Disposal Instructions

- When disposing of the holster, ensure it is done in an environmentally friendly manner.
- If the holster is damaged or no longer needed, consider recycling the leather material if possible.
- Check with local waste management for guidelines on disposing of leather products.
