PLE Paddle Holster Safety Instruction Guide

Introduction

Thank you for choosing the PLE Paddle Holster by Galco International. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this document carefully before use to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure the holster is suitable for your firearm model (Sig Sauer P229).
- Always check the holster for any visible damage before use.
- Keep the holster away from children and unauthorized users.
- Do not use the holster if it appears to be defective or damaged.
- Regularly inspect the retention strap and paddle for wear and tear.

Specific Safety Precautions for Use

- Always keep your firearm pointed in a safe direction when drawing or reholstering.
- Ensure the thumb break retention strap is securely fastened before carrying.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may degrade the leather.
- Do not overload the holster with excessive weight or accessories.
- Always practice safe handling and storage of your firearm.

Instructions for Installation and Usage

1. Installation:

- Slide the paddle of the holster onto your belt, ensuring it is positioned comfortably on your hip.
- Adjust the angle of the holster to your preference for easy access.
- Ensure the holster is secure and does not shift when you move.

2. Usage:

- To draw your firearm, use your dominant hand to grasp the grip while simultaneously releasing the thumb break retention strap with your other hand.
- Practice drawing from the holster in a safe environment to become familiar with the motion.
- When reholstering, ensure your firearm is pointed in a safe direction and the retention strap is properly positioned.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged beyond use, consider recycling or discarding it responsibly.
- Remove any accessories or components that can be recycled separately.
