

AR-15 LOWER PARTS KIT W/ GEISSELE B-GC COMPETITION TRIGGER - BROWNELLS AR-15 LOWER PARTS KIT W/ GEISSELE B-GC COMPETITION TRIGGER

[Home](#)

This 5.56 NATO AR-15 lower receiver parts kit is comprised of high-quality, Made-in-the-USA, mil-spec parts. Each part is packaged in color coded bag for easy finding it for installation. This kit is an excellent choice for building or rebuilding an AR-15 rifle. Contains: takedown pin, receiver pivot pin, takedown pin detent (2), takedown pin detent spring (2), bolt catch, bolt catch plunger, bolt catch spring pin, bolt catch spring, buffer retainer, buffer retainer spring, magazine catch, magazine catch spring, magazine catch button, trigger guard assembly, triggerguard pivot spring pin, safety selector, selector detent, selector detent spring, grip screw washer, grip screw. Does not contain a pistol grip. The B-GC Geissele Competition Trigger is available ONLY from Brownells and was developed to produce a short, relatively light single-stage pull with a short, quick reset that are ideal for 3 Gun competition and recreational target shooting. Two trigger springs are included so the B-GC can be set up with a 3.2 lb. or 4 lb. pull. The B-GC trigger is not recommended for benchrest shooting or shooting that requires small groups. It is designed for competition involving rapid target engagement.

AR15 Lower Parts Kit Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Lower Parts Kit with Geissele BGC Competition Trigger. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure all components are compatible with your AR15 lower receiver.
- Always handle firearms and firearm components with care and respect.
- Keep all parts out of reach of children and unauthorized users.
- Use proper eye and ear protection when handling or using firearms.
- Regularly check for signs of wear or damage on all parts.
- Store the product in a safe and secure location when not in use.
- If you are unsure about any aspect of the installation or use, seek assistance from a qualified gunsmith.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Using the trigger inappropriately can result in accidental discharge.

• Avoiding Hazards:

- Always ensure the firearm is unloaded before beginning installation.
- Follow all instructions carefully to avoid misassembly.
- Do not modify or alter any components without professional guidance.
- Test the trigger pull weight in a safe environment before use.
- Do not use the BGC trigger for benchrest shooting or situations requiring small groups.

• AgeSpecific Warnings:

- This product is intended for use by individuals over the age of 18.
- Ensure that inexperienced users are supervised by a knowledgeable adult.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including screwdrivers and pliers.
- Ensure you are working in a clean, organized environment free from distractions.

2. Installation Steps:

- Unpack all components from the colorcoded bags.
- Refer to the assembly diagram (if provided) to identify each part.
- Install the takedown pin and receiver pivot pin using the appropriate detents and springs.
- Install the bolt catch and associated components as per the instructions.
- Attach the magazine catch and trigger guard assembly.
- Install the safety selector and ensure it functions correctly.
- Finally, install the BGC Competition Trigger, following the specific instructions provided with the

trigger.

3. Usage:

- After installation, conduct a function check of all components.
- Ensure that the trigger pull weight is set to your preference (3.2 lb. or 4 lb.).
- Practice safe handling and shooting techniques when using your firearm.

Disposal Instructions

- Dispose of any damaged or unused parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities or recycling centers for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Lower Parts Kit with Geissele BGC Competition Trigger, please refer to the manufacturer's website or customer service channels for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your AR15 Lower Parts Kit. Always prioritize safety and responsibility when handling firearms.
