

AR 308 PR-10 BARREL 6.5 CREEDMOOR CAMGAS GAS SYSTEM SS - PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 24" STAINLESS BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Accuracy and Reliability Are Now Attainable

The PROOF Research AR 308 PR-10 barrel provides owners of AR-10-pattern rifles with a 6.5 Creedmoor-chambered rifle that includes a number of enhanced features over traditional barrel styles. These long range specific barrels provide the ultimate in accuracy and will maintain their performance in the harshest of conditions. The PROOF Research AR 308 PR-10 barrel uses the company's innovative CamGas system, which works to reduce the speed of the bolt carrier and improve overall function and reliability of 6.5 Creedmoor semi-auto rifles. Provide shooters with enhanced accuracy on par with match-grade guns Better cooling properties provide improved barrel life POI shift does not occur during extended fire strings The proprietary gas tube is included, but requires use of a JP enhanced high pressure bolt for best function. (452-000-113) The PROOF Research AR 308 PR-10 barrel is cut rifled from double stressed relieved 416R stainless steel and features a threaded muzzle with a 5/8x24 TPI thread pitch for the addition of muzzle accessories.

Safety Instruction Guide for AR 308 PR10 Barrel

6.5 Creedmoor

Introduction

Thank you for choosing the PROOF Research AR 308 PR10 Barrel. This guide provides important safety information and instructions for the proper use, installation, and disposal of your barrel. Please read this guide thoroughly to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Always ensure the firearm is unloaded before handling the barrel.
- Use eye and ear protection when shooting.
- Keep the barrel away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your AR10 pattern rifle.
- Use only the recommended ammunition type (6.5 Creedmoor) for optimal performance.
- Always check that the gas system is functioning correctly before use.
- Be aware of the potential for overheating during extended firing sessions. Allow the barrel to cool as needed.
- Use the proprietary gas tube provided for best performance.
- Ensure that a JP enhanced highpressure bolt is used for optimal function.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a torque wrench and appropriate sockets.
2. **Prepare the Firearm:**
 - Confirm that the firearm is unloaded.
 - Remove the existing barrel from the rifle according to the manufacturer's instructions.
3. **Install the New Barrel:**
 - Align the new AR 308 PR10 Barrel with the receiver.
 - Secure the barrel using the provided hardware, tightening to the manufacturer's torque specifications.
4. **Attach Muzzle Accessories:**
 - If desired, attach muzzle accessories using the threaded muzzle with a 5/8x24 TPI thread pitch.
5. **Check Gas System:**
 - Install the proprietary gas tube and ensure it is properly seated.
 - Confirm that the gas system length is set to CamGas for optimal function.

Usage

- Load the firearm only when you are ready to shoot.
- Maintain a proper shooting stance and grip.
- Aim in a safe direction and be aware of your surroundings.
- Follow all shooting range rules and regulations.
- After shooting, allow the barrel to cool before handling.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, contact a local waste management facility for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For questions or concerns regarding the safety and operation of your AR 308 PR10 Barrel, please refer to the manufacturer's website or contact their support team. Always ensure that you are using the product in accordance with the guidelines provided in this manual.

Please keep this safety instruction guide for future reference. Your safety and the safety of others depend on responsible usage and adherence to these guidelines.
