GEN 3 Ergonomics & Reliability For Your AK Plus Internal Reinforcing For Maximum Durability

The Magpul PMAG AK/AKM GEN M3 brings Kalashnikov PMAG technology up to the same state-of-the-art as GEN M3 mags for AR-pattern rifles. This rugged yet lightweight, high-reliability mag is designed specifically for AK-pattern rifles, including the AKM, AKS, SIG556R, and similar variants. The mag body has a steel-reinforced spine and front/rear lugs for superb durability under hard use, plus Magpul's constant-curve internal geometry for smooth movement of the round stack. Handy paint pen dot matrix panels on the lower portion of the body make it easy to ID each of your mags. The flared floorplate is easy to grab, yet is slim enough for use with standard AK mag pouches, and of course it's easy to remove for cleaning. The low-friction, anti-tilt polymer follower delivers reliable performance and the durability you expect from any magazine with the "PMAG" name. Counts as 3 U.S.-sourced parts for compliance with 18 U.S.C. Sec. 922(r).

Safety Instruction Guide for AK/AKM 30RD PMAG GEN M3 MAGAZINE

Introduction

Thank you for choosing the Magpul PMAG AK/AKM GEN M3 Magazine. This guide provides important safety instructions to ensure the safe use and handling of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always treat every firearm as if it is loaded.
- Keep your magazine and firearm out of reach of children and unauthorized users.
- Inspect the magazine for any damage or wear before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and magazines.
- Store magazines in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- Only use 7.62x39 mm cartridges with this magazine.
- Do not attempt to modify or alter the magazine in any way.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Always load and unload the magazine in a safe and controlled environment.
- Ensure that the magazine is properly seated in the firearm before firing.
- If a round fails to fire, wait at least 30 seconds before removing the magazine and inspecting the firearm.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing upwards.
- Insert the first round into the magazine at a slight angle, pushing it down until it clicks into place.
- Continue inserting rounds until the magazine is full (30 rounds).

2. Installing the Magazine in the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Pull the magazine release button on your firearm.
- Insert the magazine into the magazine well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button and pull the magazine out of the magazine well.

4. Cleaning and Maintenance:

- To clean the magazine, remove it from the firearm and ensure it is unloaded.
- Use a soft cloth and mild soap to clean the exterior. Avoid harsh chemicals.
- Inspect the magazine for any signs of wear or damage.
- Store the magazine in a safe place after cleaning.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it properly.
- Recycle the magazine if possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of the Magpul PMAG AK/AKM GEN M3 Magazine, please reach out to the appropriate contact point in your region.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Magpul PMAG AK/AKM GEN M3 Magazine. Thank you for prioritizing safety in your firearm practices.
