# Safety Instruction Guide for GEN 3 Slide Completion Kit

## Introduction

Thank you for choosing the GEN 3 Slide Completion Kit for your Glock 19. This guide provides essential safety instructions and information to ensure the safe and proper use of this product. It is important to read and understand these guidelines before using the kit.

## General Safety Guidelines

- Ensure that all parts are compatible with your Glock 19 Gen3 model.
- Always handle firearms and firearm components with care and responsibility.
- Store all parts in a secure location, away from children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses when handling or assembling firearm parts.
- Regularly inspect all components for signs of wear or damage before use.
- If unsure about any part or procedure, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Using damaged or worn parts can compromise firearm safety.
- Failure to follow installation instructions can result in unsafe operation.

- **Instructions for Avoiding Hazards:**

- Always ensure the firearm is unloaded before beginning any work on it.
- Do not attempt to modify or alter the parts in any way.
- Follow all manufacturer instructions carefully during installation.
- If you experience any issues during installation, cease work immediately and consult a qualified professional.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Keep out of reach of children and unauthorized individuals.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before beginning the installation process.
- Ensure your workspace is clean and free of distractions.

### 2. Installation Steps:

- Remove the slide from the frame of the Glock 19.
- Carefully install the extractor, extractor depressor plunger, and spring.
- Install the springloaded bearing and LCI.
- Insert the firing pin and firing pin safety with spring.

- Place the firing pin channel liner and firing pin spring cups in their respective positions.
- Install the firing pin spacer sleeve and slide cover plate.
- Assemble the recoil spring assembly according to the instructions provided.
- Reattach the slide to the frame and perform a function check to ensure proper operation.

### **3. PostInstallation:**

- After installation, perform a thorough inspection to ensure all parts are securely in place.
- Test the firearm in a safe environment to confirm proper functionality.

## **Disposal Instructions**

- Dispose of any damaged or unused parts in accordance with local regulations.
- Do not discard parts in regular household waste. Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and installation, please consult a qualified gunsmith or contact the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of the GEN 3 Slide Completion Kit for your Glock 19. Always prioritize safety and responsibility when handling firearms and their components.
