Safety Instruction Guide for GEN 3 Slide Completion Kit

Introduction

Thank you for choosing the GEN 3 Slide Completion Kit for your Glock 17. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the kit.

General Safety Guidelines

- Ensure that all parts of the kit are compatible with your Glock 17.
- Always handle firearms and firearm parts with care.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Inspect all parts for damage or defects before use.
- Follow all local laws and regulations regarding firearms and firearm parts.
- Store the kit in a secure location when not in use.

Specific Safety Precautions for Use

- Use only OEM Glock factory parts for replacement to ensure safety and reliability.
- Always wear appropriate safety gear, including eye protection, when working with firearm parts.
- Ensure the firearm is unloaded before beginning any installation or maintenance work.
- Avoid working on your firearm in a cluttered or distracting environment.
- If you are unsure about any part of the installation process, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the GEN 3 Slide Completion Kit.
- Ensure you have a clean and well-lit workspace.

2. Installation Steps

- Remove the slide from the Glock 17 frame.
- Disassemble the slide carefully, noting the order of parts for reassembly.
- Install the new parts from the Slide Completion Kit in the following order:
 - Insert the extractor with the loaded chamber indicator (LCI).
 - Install the extractor depressor plunger and spring.
 - Place the springloaded bearing LCI into position.
 - Install the firing pin and firing pin safety along with their respective springs.
 - Insert the firing pin channel liner and ensure it is seated correctly.
 - Place the firing pin spring cups and the firing pin spacer sleeve in their designated positions.
 - Attach the slide cover plate securely.
 - Reassemble the recoil spring assembly.

3. Final Checks

- Conduct a thorough inspection of the slide to ensure all parts are installed correctly.
- Reattach the slide to the Glock 17 frame.
- Perform a function check to ensure proper operation.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not throw away firearm components in regular household waste.
- Contact local authorities for proper disposal methods of firearm parts.

Contact Information for Further Support

For any questions or concerns regarding the GEN 3 Slide Completion Kit, please consult a qualified gunsmith or refer to the manufacturer's website for additional resources.

Conclusion

By following these safety instructions, you can ensure a safe and effective installation of the GEN 3 Slide Completion Kit for your Glock 17. Always prioritize safety and seek professional assistance if needed. Thank you for your attention to these guidelines.
