Safety Instruction Guide for Butler Creek 9MM/45 ACP ASAP Universal SingleStack Magazine Loader

Introduction

Thank you for choosing the Butler Creek ASAP Universal SingleStack Magazine Loader. This product is designed to enhance your shooting experience by providing a quick and efficient way to load magazines for 9mm and .45 ACP firearms. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that the loader is used only with compatible pistol magazines.
- Keep the loader out of reach of children and unauthorized users.
- Inspect the loader before each use for any signs of damage or wear.
- Store the loader in a safe place when not in use.
- Follow all local laws and regulations regarding firearm and ammunition handling.

Specific Safety Precautions for Use

- Do not attempt to use the loader if it is damaged or malfunctioning.
- Always load ammunition in a safe and controlled environment.
- Avoid distractions while using the loader to ensure full attention is given to the loading process.
- Do not exceed the recommended caliber specifications (9mm and .45 ACP).
- Ensure that the firearm is pointed in a safe direction at all times while loading the magazine.
- Be aware of your surroundings and ensure that no one is in the line of fire.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the loader is clean and free of debris.
- Have your magazine and ammunition ready for use.

2. Loading Process:

- Insert a single round into the loader's opening.
- Firmly push down on the loader. This action will load the round into the magazine and ensure that it is fully seated.
- Repeat the process until the magazine is filled to the desired capacity.
- Always check the magazine after loading to confirm that all rounds are seated properly.

3. PostUse Care:

- After use, clean the loader to remove any debris or residue.
- Store the loader in a dry and secure location.

Disposal Instructions

- Dispose of the loader in accordance with local regulations regarding plastic and metal products.
- Do not dispose of the loader in regular household waste if it is damaged or nonfunctional.
- Contact your local waste management facility for guidance on proper disposal methods.
