BIG GUNNER BARREL 6.5 CREEDMOOR 20 RIFLE-LENGTH BLACK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Optimal Balance of Weight & Rigidity for Excellent Accuracy Potential

The Faxon Big Gunner 6.5 Creedmoor rifle barrel offers an excellent balance of maneuverable weight and accuracy potential. Faxon machines each Big Gunner barrel from triple stress-relieved 416R stainless steel, and finishes it with a tough, wear-resistant matte black QPQ Nitride finish. Faxon's Big Gunner 6.5 Creedmoor rifle barrel profile is a blend of Faxon's Government and Pencil profiles, matching the Gov't taper from the extension to the gas block, with a Pencil profile from the block to the muzzle. Removing the weight from the front mitigates muzzle whip, while keeping material at the rear maximizes rigidity and resistance to heat distortion. It keeps the center of gravity to the rear, making the rifle more maneuverable. Fits a DPMS LR-308 pattern upper receiver Available in 18" and 20" lengths Uses standard rifle length gas tube 5R rifling with 1-8" twist for accuracy & easy cleaning QPQ Nitride coated inside & out 11° target crowned muzzle 5/8"-24 threaded muzzle is suppressor ready To ensure you have the best barrel possible, each Faxon Big Gunner 6.5 Creedmoor rifle barrel goes through a battery of tests at each operation until final inspection. Barrels are individually checked for headspace by precision custom hardened gauges.

Attributes

Safety Instruction Guide for AR15 Big Gunner Barrels 6.5 Creedmoor

Introduction

Thank you for choosing the Faxon Big Gunner 6.5 Creedmoor rifle barrel. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Inspect the barrel for any visible damage before installation.
- Always follow local laws and regulations regarding firearm use and modifications.
- Store the barrel in a safe, dry place when not in use.
- Keep the barrel out of reach of children and unauthorized users.
- Regularly check for updates on safety information and recalls through official channels.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or removing the barrel.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Check for proper alignment and secure attachment before firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the barrel or firearm in any way that is not approved by the manufacturer.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove the existing barrel from the upper receiver.
- Align the Faxon Big Gunner barrel with the upper receiver.
- Securely attach the barrel using the appropriate torque specifications as outlined in the firearm's manual.
- Ensure the gas block is properly installed and aligned with the gas port.

3. Usage Steps

- Load the firearm with appropriate ammunition.
- Conduct a function check to ensure proper operation.
- Fire the firearm in a controlled and safe manner, observing all safety precautions.

4. PostUse Care

- Clean the barrel after each use to maintain performance and longevity.
- Inspect for any signs of wear or damage regularly.

Disposal Instructions

- Dispose of any damaged or obsolete barrels in accordance with local regulations.
- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Faxon Big Gunner 6.5 Creedmoor rifle barrel, please refer to the official manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Faxon Big Gunner 6.5 Creedmoor rifle barrel. Always prioritize safety and responsible firearm handling.
