## Built for a Big-Bore AR-15

If you're building a real thumper of an AR-15, then you can't go wrong by choosing the Faxon Firearms Gunner Big Bore Barrel, which is purpose-built to handle all the stresses that come with shooting large-caliber cartridges from your AR-style rifle. This particular model of the Faxon Firearms Gunner Big Bore Barrel is chambered for the popular .458 SOCOM and is machined from durable 4150 CMV steel. Each barrel is button-rifled to provide the best possible accuracy. Barrel length: 10.5 inches Pistol-length gas system Salt-bath Nitride treated 1:14-inch rate of twist In addition to its durable construction, each Faxon Firearms Gunner Big Bore Barrel is finished with a black-nitride treatment that wards off corrosion and provides enhanced wear resistance. The barrel also features a threaded muzzle and 11-degree target crown.

# **Safety Instruction Guide for the AR15 Gunner Big Bore Barrel .458 SOCOM**

## **Introduction**

Thank you for choosing the Faxon Firearms Gunner Big Bore Barrel .458 SOCOM. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection while shooting.
- Ensure the barrel is compatible with your AR15 platform before installation.
- Regularly inspect the barrel for signs of wear or damage.
- Follow all local, state, and federal laws regarding firearm ownership and usage.

## **Specific Safety Precautions for Use**

- Ensure that you are using the correct ammunition (.458 SOCOM) for this barrel.
- Do not exceed the recommended load specifications for the .458 SOCOM cartridge.
- Be aware of the increased recoil and muzzle rise when using large caliber ammunition.
- Avoid using handloaded ammunition unless you are fully aware of the specifications and safety protocols.
- Check the gas system and ensure it is functioning properly before use.
- Never attempt to modify or alter the barrel or any components.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your AR15 following the manufacturer's instructions.
- Install the Faxon Firearms Gunner Big Bore Barrel by aligning it properly with the upper receiver.
- Secure the barrel using the appropriate barrel nut and torque to specifications.
- Attach the gas block and gas tube according to your gas system length (Pistollength).
- Ensure that the muzzle threads are clean and free from debris before attaching muzzle devices.

### **2. Usage:**

- Load your firearm only when you are ready to shoot.
- Always check the chamber before firing to ensure it is clear.
- Use proper shooting stance and grip to manage recoil effectively.
- After shooting, ensure the firearm is cleared and cleaned according to the manufacturer's instructions.
- Store the barrel and firearm in a secure place when not in use.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition according to local regulations.
- When disposing of the barrel, contact your local waste management authority for guidance on proper disposal methods.

- Do not dispose of firearms or firearm components in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Faxon Firearms Gunner Big Bore Barrel, please consult the manufacturer's website or customer service.

By following these safety instructions, you can ensure a safe shooting experience with your Faxon Firearms Gunner Big Bore Barrel .458 SOCOM. Always prioritize safety and responsibility when handling firearms.
