

CUSTOM GRADE STANDARD SEATING DIES - CUSTOM GRADE 338 MARLIN BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Hornady's Custom Grade New Dimension dies are created from select steel that's heat-treated to ensure the durability needed for a lifetime of reloading. Hornady guarantees they'll never wear out or break under normal use. All dies include the popular double-flat Hornady die lock rings installed and a custom plastic box. Hornady dies are grouped in three series for pricing - die construction and quality is equal in each series. Custom Grade Seater dies include a sliding alignment sleeve which holds the bullet, case mouth, and seater stem in alignment before the bullet enters the case mouth. Seater dies include a built-in crimp ring which can be used or raised for no crimp. All dies come with the popular double-flat Hornady die lock rings installed and a custom plastic die box.

Safety Instruction Guide for CUSTOM GRADE STANDARD SEATING DIES CUSTOM GRADE 338 MARLIN BULLET SEATING DIE

Introduction

Thank you for choosing the CUSTOM GRADE STANDARD SEATING DIES CUSTOM GRADE 338 MARLIN BULLET SEATING DIE by Hornady. This product is designed to assist you in reloading ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all reloading activities are conducted in a wellventilated area.
- Keep the product out of reach of children and unauthorized users.
- Always wear safety glasses and appropriate personal protective equipment when handling reloading materials.
- Familiarize yourself with the product before use, including its components and functionalities.
- Regularly inspect the die for wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die is designed for use with specific cartridges (338 Marlin Express). Using it with incompatible cartridges may result in malfunction or injury.
 - The die includes sharp edges that can cause cuts. Handle with care.
- **Avoiding Hazards:**
 - Never attempt to modify the die or use it for purposes other than intended.
 - Ensure that all components are clean and free from debris before use to prevent malfunction.
 - Use the die only with the recommended bullet types and weights.
 - Do not exceed the recommended load specifications provided by the bullet manufacturer.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading press is securely mounted and stable.
 2. Remove the die from its packaging and inspect it for any damage.
 3. Install the die into your reloading press by threading it into the appropriate die holder until snug.
 4. Tighten the die lock ring to secure the die in place.
 5. Attach the sliding alignment sleeve if not preinstalled.
- **Usage:**
 1. Place a clean, empty cartridge case into the reloading press.
 2. Insert the bullet into the alignment sleeve of the die.
 3. Slowly lower the seater stem until the bullet is seated into the case mouth.
 4. If crimping is desired, adjust the builtin crimp ring according to your specifications.
 5. Inspect the completed round for proper bullet seating and crimping.
 6. Repeat the process for additional rounds as necessary.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local waste management facilities for proper disposal methods.
- Ensure that all materials used during reloading (e.g., spent primers, powder) are disposed of safely and in compliance with environmental regulations.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer directly through their designated customer service channels.

Thank you for your attention to safety. Enjoy your reloading experience with Hornady's CUSTOM GRADE STANDARD SEATING DIES CUSTOM GRADE 338 MARLIN BULLET SEATING DIE.
