

CUSTOM GRADE RIFLE NECK SIZING DIES - 22 CALIBER PPC (0.224") NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing with the Hornady Custom Grade Neck Sizing Die can eliminate problems of excessive head space, and align the bullet perfectly with the bore, resulting in better accuracy and longer case life. Should only be used for bolt-action rifle cases. Auto-loading, lever and pump action rifles usually require full-length resizing.

CUSTOM GRADE RIFLE NECK SIZING DIES 22 CALIBER PPC (0.224") NECK DIE Safety Instruction Guide

Introduction

Thank you for choosing the CUSTOM GRADE RIFLE NECK SIZING DIES 22 CALIBER PPC (0.224") NECK DIE by Hornady. This product is designed for neck sizing of boltaction rifle cases, improving accuracy and extending case life. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the neck sizing die with care to avoid injury.
- Ensure that the die is used only with boltaction rifle cases; it is not suitable for autoloading, lever, or pump action rifles.
- Keep the die and all related equipment out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the die before use.
- Follow all manufacturer instructions and recommendations for use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment, such as safety glasses, when using the neck sizing die.
- Ensure that the workspace is clean, dry, and free from distractions.
- Always doublecheck that the die is correctly installed before use to avoid misalignment.
- Avoid using excessive force when resizing cases; this can lead to equipment failure or personal injury.
- Do not exceed the recommended specifications for the die, including the caliber and type of cases.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Carefully remove the neck sizing die from its packaging.
- Insert the neck sizing die into the reloading press, tightening it securely.
- Adjust the die to the correct height according to the manufacturer's instructions.

2. Usage:

- Prepare the cases by cleaning and inspecting them for any damage.
- Place a case into the reloading press and align it with the neck sizing die.
- Slowly operate the press to resize the neck of the case.
- Inspect the resized case for consistency and proper fit.
- Repeat the process for all cases as needed.

Disposal Instructions

- Dispose of any damaged or wornout neck sizing dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die in regular household waste if it is damaged; instead, follow specific hazardous waste disposal guidelines if applicable.

Contact Information for Further Support

For any questions or concerns regarding the CUSTOM GRADE RIFLE NECK SIZING DIES 22 CALIBER PPC (0.224") NECK DIE, please refer to the manufacturer's website or contact their support team.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience!
