

# CUSTOM GRADE RIFLE NECK SIZING DIES - 35 CALIBER (0.358" ) NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing with the Hornady Custom Grade Neck Sizing Die can eliminate problems of excessive head space, and align the bullet perfectly with the bore, resulting in better accuracy and longer case life. Should only be used for bolt-action rifle cases. Auto-loading, lever and pump action rifles usually require full-length resizing.

# CUSTOM GRADE RIFLE NECK SIZING DIES 35 CALIBER (0.358") NECK DIE Safety Instruction Guide

## Introduction

Thank you for choosing the CUSTOM GRADE RIFLE NECK SIZING DIES 35 CALIBER (0.358") NECK DIE by Hornady. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

## General Safety Guidelines

- Ensure that you are familiar with all safety regulations and laws regarding the use of firearm accessories in your area.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when using reloading equipment.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of damage or wear before use.
- Follow all manufacturer instructions for use, maintenance, and storage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This neck sizing die is designed specifically for boltaction rifle cases. Do not use it with autoloading, lever, or pump action rifles, as they require fulllength resizing.
- Avoid excessive force during resizing, as this may damage the die or the cases.
- Ensure that the die is properly secured in your reloading press before use.
- Always check the alignment of the die with the bore to ensure accurate bullet seating.
- Keep your work area clean and organized to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the die from its packaging and inspect it for any damage.
- Attach the neck sizing die to your reloading press according to the manufacturer's instructions.
- Ensure that the die is securely fastened and aligned with the press.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for any defects.
- Insert the brass case into the die, ensuring it is seated properly.
- Apply gentle pressure to the press handle to resize the neck of the case.
- Once the resizing is complete, remove the case and check for proper fit and alignment.
- Repeat the process for all cases as needed.

### 3. PostUsage:

- Clean the die after each use to remove debris and prevent corrosion.
- Store the die in a dry, safe place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for recycling programs or hazardous waste disposal options in your area.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please refer to the manufacturer's contact resources. Ensure you have the product details on hand when seeking assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your CUSTOM GRADE RIFLE NECK SIZING DIES 35 CALIBER (0.358") NECK DIE. Thank you for your attention to safety.
