

# CUSTOM GRADE RIFLE NECK SIZING DIES - 6.5MM (0.264" ) NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing with the Hornady Custom Grade Neck Sizing Die can eliminate problems of excessive head space, and align the bullet perfectly with the bore, resulting in better accuracy and longer case life. Should only be used for bolt-action rifle cases. Auto-loading, lever and pump action rifles usually require full-length resizing.

# CUSTOM GRADE RIFLE NECK SIZING DIES 6.5MM (0.264") NECK DIE Safety Instructions

## Introduction

Thank you for purchasing the CUSTOM GRADE RIFLE NECK SIZING DIES 6.5MM (0.264") NECK DIE by HORNADY. This product is designed for neck sizing boltaction rifle cases, improving accuracy and extending case life. Proper use and handling are essential for your safety and the safety of others. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure safe use of the neck sizing die by following all instructions carefully.
- Be aware of potential hazards associated with reloading equipment and ammunition.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Only use the neck sizing die with boltaction rifle cases; do not use it with autoloading, lever, or pumpaction rifles.
- Ensure that the die is securely mounted in the reloading press before use.
- Avoid overtightening the die, which may cause damage.
- Do not modify the die or use it for purposes other than intended.
- Keep the work area clean and organized to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Carefully unpack the neck sizing die and inspect it for any damage.
- Insert the neck sizing die into the reloading press according to the manufacturer's instructions.
- Secure the die by tightening the lock ring without overtightening.

### 2. Usage:

- Prepare your boltaction rifle cases for neck sizing by cleaning and inspecting them for damage.
- Adjust the die to the desired depth for neck sizing, following the guidelines in your reloading press manual.
- Insert the prepared case into the reloading press and operate the press to size the neck of the case.
- Remove the case and inspect it to ensure proper sizing has been achieved.
- Repeat the process for all cases to be resized.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the neck sizing die becomes damaged or unusable, follow local guidelines for the disposal of metal.

products.

- Do not dispose of the die in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the CUSTOM GRADE RIFLE NECK SIZING DIES 6.5MM (0.264") NECK DIE, please refer to the manufacturer's website or contact the retailer for assistance.

Thank you for choosing HORNADY products. Your safety is our priority, and we encourage you to follow these guidelines to ensure a safe and enjoyable reloading experience.
