

CUSTOM GRADE RIFLE NECK SIZING DIES - 6.5MM SHORT (0.264") NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing with the Hornady Custom Grade Neck Sizing Die can eliminate problems of excessive head space, and align the bullet perfectly with the bore, resulting in better accuracy and longer case life. Should only be used for bolt-action rifle cases. Auto-loading, lever and pump action rifles usually require full-length resizing.

CUSTOM GRADE RIFLE NECK SIZING DIES 6.5MM SHORT (0.264") NECK DIE Safety Instruction Guide

Introduction

Thank you for choosing the CUSTOM GRADE RIFLE NECK SIZING DIES 6.5MM SHORT (0.264") NECK DIE by Hornady. This product is designed to enhance your reloading experience by ensuring precise neck sizing, which can improve accuracy and extend the life of your rifle cases. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the neck die is used only with boltaction rifle cases.
- Familiarize yourself with the product before use to avoid mishandling.
- Always wear appropriate eye and ear protection when reloading ammunition.
- Store the neck die in a safe, dry place away from children and unauthorized users.
- Regularly inspect the neck die for any signs of wear or damage before use.
- Do not use the neck die for any purpose other than its intended use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the neck die can lead to misalignment of the bullet, resulting in decreased accuracy or malfunction.
 - Excessive headspace can cause case failure, which may lead to injury.
- **Avoiding Hazards:**
 - Always follow the manufacturer's instructions for use.
 - Do not force the die into the press; ensure it is properly aligned.
 - Avoid using the neck die with autoloading, lever, or pump action rifles as they may require fulllength resizing.
- **Age Restrictions:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Insert the neck die into the press and secure it according to the manufacturer's instructions.
- Adjust the die to the desired depth for neck sizing.

2. Usage:

- Prepare your cases by cleaning and inspecting them for damage.
- Insert the case into the shell holder of the press.
- Raise the ram to engage the neck die with the case neck.
- Apply consistent pressure to resize the neck without forcing the die.
- Once sized, lower the ram and remove the case.
- Repeat the process for all cases you intend to size.

3. PostUsage:

- Clean the neck die after use to prevent corrosion and ensure longevity.
- Store the die in a protective case or container.

Disposal Instructions

- Dispose of any damaged or worn neck dies according to local regulations for hazardous materials.
- Do not throw the neck die in regular trash if it is damaged; check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance regarding the CUSTOM GRADE RIFLE NECK SIZING DIES 6.5MM SHORT (0.264") NECK DIE, please refer to the manufacturer's website or contact your local Hornady representative.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience with your CUSTOM GRADE RIFLE NECK SIZING DIES. Always prioritize safety and compliance with local regulations when handling and using reloading equipment. Thank you for choosing Hornady, and happy reloading!
