

CUSTOM GRADE RIFLE NECK SIZING DIES - 7MM MAGNUM (0.284") NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing with the Hornady Custom Grade Neck Sizing Die can eliminate problems of excessive head space, and align the bullet perfectly with the bore, resulting in better accuracy and longer case life. Should only be used for bolt-action rifle cases. Auto-loading, lever and pump action rifles usually require full-length resizing.

CUSTOM GRADE RIFLE NECK SIZING DIES 7MM MAGNUM (0.284") NECK DIE Safety Instruction Guide

Introduction

Thank you for choosing the CUSTOM GRADE RIFLE NECK SIZING DIES 7MM MAGNUM (0.284") NECK DIE by Hornady. This guide provides essential safety instructions and best practices to ensure the safe and effective use of this product. Please read this guide thoroughly before using the neck die.

General Safety Guidelines

- Always handle reloading equipment with care and attention to safety.
- Ensure that you are using the neck die only for boltaction rifle cases. Using it with autoloading, lever, or pumpaction rifles may result in unsafe conditions.
- Store the neck die in a secure location, out of reach of children and vulnerable individuals.
- Regularly inspect the neck die for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding ammunition reloading and firearms.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves while reloading ammunition to protect yourself from potential hazards.
- **Workspace Safety:** Work in a clean, dry, and wellventilated area. Ensure that your workspace is free from clutter and distractions.
- **Tool Compatibility:** Ensure that the neck die is compatible with your reloading press. Refer to your press's manual for compatibility information.
- **Proper Sizing Technique:** Follow the recommended techniques for neck sizing to avoid excessive headspace and ensure proper alignment of the bullet with the bore.
- **Avoid OverResizing:** Neck sizing should not be overdone. Follow the manufacturer's guidelines to maintain case integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the neck die, reloading press, and cases to be resized.
- Ensure your workspace is clean and organized.

2. Installation:

- Secure the neck die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for resizing.

3. Usage:

- Insert a fired case into the shell holder of the reloading press.
- Lower the ram to bring the case into contact with the neck die.
- Raise the ram to resize the neck of the case.
- Repeat the process for each case you wish to resize.

4. PostUse Care:

- Clean the neck die after use to prevent corrosion and maintain performance.
- Store the neck die in a protective case or designated area to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn reloading equipment in accordance with local regulations.
- Do not throw the neck die in regular trash. Instead, check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the CUSTOM GRADE RIFLE NECK SIZING DIES 7MM MAGNUM (0.284") NECK DIE, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the CUSTOM GRADE RIFLE NECK SIZING DIES 7MM MAGNUM (0.284") NECK DIE. Always prioritize safety and adhere to best practices while handling and using this product. Thank you for your attention to these important safety measures.
