# **TAPER CRIMP SEATING HANDGUN DIE 40 S&W, 10MM CRIMP SEATING DIE Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Taper Crimp Seating Handgun Die for your reloading needs. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before using the die and keep it for future reference.

## **General Safety Guidelines**

- Ensure that the die is used only for its intended purpose: seating and taper crimping cartridges for 40 S&W and 10MM.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die regularly for wear and damage. Do not use if the die is damaged.
- Follow all local, state, and federal laws regarding the reloading of ammunition.

## **Specific Safety Precautions for Use**

- Always work in a wellventilated area to avoid inhaling any dust or fumes.
- Do not overload cartridges beyond the recommended specifications.
- Avoid distractions while reloading to maintain focus and prevent accidents.
- Use the die only with compatible reloading equipment and components.
- Store the die in a dry, secure location when not in use.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure your reloading press is securely mounted and stable.
- Insert the Taper Crimp Seating Die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

### **2. Usage:**

- Prepare your brass cases by cleaning and inspecting them for defects.
- Adjust the die according to the specific cartridge you are using (40 S&W or 10MM).
- Place a cartridge case into the shell holder of the press.
- Slowly pull the handle to seat the bullet and apply the taper crimp in one smooth motion.
- Inspect the finished cartridges for proper seating and crimping.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition components in accordance with local regulations.
- Recycle metal parts where applicable, following local recycling guidelines.
- Do not dispose of ammunition or reloading components in regular household waste.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Taper Crimp Seating Die, please refer to the manufacturer's website or contact their customer service directly.

By following these safety instructions, you can ensure a safer reloading experience. If you encounter any unsafe conditions or have questions about the product, do not hesitate to seek assistance or report concerns to the appropriate authorities.
