

CUSTOM GRADE HANDGUN 4-DIE SETS - 475 LINEBAUGH, 480 RUGER FULL LENGTH 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Hornady Series V 4 Die set include a full length sizing die, expander die, seater die, and a crimp die. The full length die features a titanium nitride coated sizing ring which eliminates stuck cases, and Hornady's zip spindle system that makes setup and adjustment easy. The Seating Die includes a floating bullet alignment sleeve and a floating steel seating stem. The seating system holds the bullet, the case neck, and the seating stem in perfect alignment in a sleeve before the bullet enters the neck of the case. Bullets are aligned in the sleeve as they enter the die for optimum seating and enhanced accuracy. The Case Mouth Expander Die is adjustable, and the Crimp Die is great when using heavy loads.

CUSTOM GRADE HANDGUN 4DIE SETS 475 LINEBAUGH, 480 RUGER FULL LENGTH 4DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 4DIE SETS 475 LINEBAUGH, 480 RUGER FULL LENGTH 4DIE SET by Hornady. This guide provides important safety instructions and guidelines to ensure your safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure you are familiar with the operation of reloading equipment before use.
- Always wear appropriate safety gear, including safety glasses and hearing protection.
- Keep the work area clean and organized to prevent accidents.
- Store the die set in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the die set for signs of wear or damage.
- Follow local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Before starting, ensure that your workspace is wellventilated.
- Do not use the die set if you are under the influence of drugs or alcohol.
- Always handle all components, including cartridges, with care.
- Avoid distractions while reloading to maintain focus.
- Use only the recommended cartridges specified for this die set.
- Do not exceed recommended load limits as specified in reloading manuals.
- Ensure that the dies are securely mounted before use to prevent accidents.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Clean the reloading press and ensure it is free from debris.
- Install the full length sizing die into the press following the manufacturer's instructions.
- Adjust the die to achieve the desired sizing depth.
- Install the expander die and adjust it as needed.
- Install the seating die and ensure the floating bullet alignment sleeve is properly positioned.
- Finally, install the crimp die, ensuring it is set for the desired crimp strength.

2. Using the Die Set:

- Begin by resizing the cases using the full length sizing die.
- Follow with the case mouth expansion using the expander die.
- Insert the bullet into the case neck and use the seating die to seat the bullet to the desired depth.
- Use the crimp die to apply a crimp to the case mouth, ensuring it is secure.
- Inspect each completed round for proper assembly and safety.

3. PostUse:

- Clean the dies after use to remove any residue or debris.
- Store the die set in its original packaging or a secure location to prevent damage.

Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.
- Do not dispose of ammunition or components in regular trash.
- Contact local authorities for guidance on proper disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries or support regarding the CUSTOM GRADE HANDGUN 4DIE SETS, please refer to the manufacturer's official website or customer support channels.

By adhering to these safety instructions and guidelines, you can ensure a safe and efficient reloading experience. Thank you for your attention to these important safety measures.
