

CUSTOM GRADE HANDGUN 4-DIE SETS - 500 LINEBAUGH FULL LENGTH 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Hornady Series V 4 Die set include a full length sizing die, expander die, seater die, and a crimp die. The full length die features a titanium nitride coated sizing ring which eliminates stuck cases, and Hornady's zip spindle system that makes setup and adjustment easy. The Seating Die includes a floating bullet alignment sleeve and a floating steel seating stem. The seating system holds the bullet, the case neck, and the seating stem in perfect alignment in a sleeve before the bullet enters the neck of the case. Bullets are aligned in the sleeve as they enter the die for optimum seating and enhanced accuracy. The Case Mouth Expander Die is adjustable, and the Crimp Die is great when using heavy loads.

CUSTOM GRADE HANDGUN 4DIE SETS 500 LINEBAUGH FULL LENGTH 4DIE SET Safety Instructions

Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 4DIE SETS 500 LINEBAUGH FULL LENGTH 4DIE SET by Hornady. This product is designed to provide highquality reloading capabilities for your handgun ammunition. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure that you are in a wellventilated area when reloading ammunition.
- Keep all components of the reloading process, including dies and tools, out of reach of children and unauthorized individuals.
- Regularly inspect your equipment for wear and damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Be aware of the specific hazards associated with the materials you are using, including primers and powders.
- Follow all local laws and regulations regarding the reloading of ammunition.

Specific Safety Precautions for Use

- **Sizing Die:**
 - Ensure that the sizing die is securely installed in the press before use to prevent detachment during operation.
 - Use the titanium nitride coated sizing ring to minimize the risk of stuck cases.
- **Expander Die:**
 - Adjust the Case Mouth Expander Die carefully, ensuring it is set to the desired dimensions before use.
- **Seating Die:**
 - Use the floating bullet alignment sleeve to ensure proper bullet seating.
 - Check alignment before applying pressure to the seating stem to avoid damaging the bullet or case.
- **Crimp Die:**
 - Use the Crimp Die with caution, especially when working with heavy loads. Ensure that crimping is done uniformly to avoid inconsistent performance.

Instructions for Installation and Usage

1. Installation:

- Start by securely attaching the sizing die to your reloading press.

- Follow with the installation of the expander die, ensuring it is adjusted correctly.
- Install the seating die next, making sure the floating bullet alignment sleeve is in place.
- Finally, attach the crimp die, checking for proper alignment.

2. Usage:

- Begin by preparing your cases using the sizing die. Ensure that you are using the correct caliber and type of cases.
- Use the expander die to prepare the case mouth for bullet insertion.
- Insert the bullet into the case neck and use the seating die to seat the bullet to the desired depth. Ensure that the bullet is aligned properly using the floating sleeve.
- After seating, use the crimp die to apply a crimp to the case mouth if necessary, particularly for heavy loads.
- Always doublecheck your measurements and the quality of each round produced before use.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Empty containers and packaging should be recycled where possible.
- Ensure that all hazardous materials, including primers and powders, are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the CUSTOM GRADE HANDGUN 4DIE SETS 500 LINEBAUGH FULL LENGTH 4DIE SET, please refer to the manufacturer's contact points for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and compliance with local laws when using reloading equipment. Thank you for your attention to these important guidelines.
