

CUSTOM GRADE HANDGUN 4-DIE SETS - 500 S&W MAGNUM FULL LENGTH 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Hornady Series V 4 Die set include a full length sizing die, expander die, seater die, and a crimp die. The full length die features a titanium nitride coated sizing ring which eliminates stuck cases, and Hornady's zip spindle system that makes setup and adjustment easy. The Seating Die includes a floating bullet alignment sleeve and a floating steel seating stem. The seating system holds the bullet, the case neck, and the seating stem in perfect alignment in a sleeve before the bullet enters the neck of the case. Bullets are aligned in the sleeve as they enter the die for optimum seating and enhanced accuracy. The Case Mouth Expander Die is adjustable, and the Crimp Die is great when using heavy loads.

CUSTOM GRADE HANDGUN 4DIE SETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 4DIE SETS for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the die set.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the reloading process before using this die set.
- Keep the die set out of reach of children and unauthorized users.
- Use the die set only for its intended purpose as specified in the product description.
- Regularly check for wear and damage to the die set and replace any worn or damaged parts immediately.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Avoid using the die set in a damp or humid environment to prevent rust and corrosion.
- Do not exceed the recommended load specifications for the 500 S&W Magnum cartridge.
- Verify that all components used in conjunction with the die set are compatible and in good condition.
- Never leave the die set unattended while in use.

Instructions for Installation and Usage

1. Setup

- Read the instruction manual that comes with your die set for specific setup instructions.
- Ensure that your reloading press is securely mounted and stable.
- Install the full length sizing die in the press according to the manufacturer's instructions.

2. Using the Dies

- **Full Length Sizing Die:** Adjust the die to ensure it sizes the case properly without overworking the brass.
- **Case Mouth Expander Die:** Use this die to expand the mouth of the case before seating the bullet.
- **Seating Die:** Insert a bullet into the case neck and adjust the seating depth as required for your load.
- **Crimp Die:** Apply a crimp if using heavy loads to ensure the bullet remains secure in the case.

3. Testing

- After reloading, always test a few rounds for proper function before using them in your firearm.
- Inspect each round visually for any defects or irregularities.

4. Maintenance

- Clean the dies regularly to remove any debris or residue.
- Store the die set in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of any damaged or unusable parts of the die set in accordance with local regulations.
- Follow your local waste management guidelines for disposing of materials related to reloading.

Contact Information for Further Support

For any questions or concerns regarding the CUSTOM GRADE HANDGUN 4DIE SETS, please refer to the manufacturer's contact information provided in the product packaging or manual.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and stay informed about best practices for using your CUSTOM GRADE HANDGUN 4DIE SETS. Thank you for your attention to these important guidelines.
