PACESETTER RIFLE THREEDIE SETS LEE PRECISION Safety Instructions

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS LEE PRECISION 26 NOSLER PACESETTER 3DIE SET. This product is designed for reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with its use.

General Safety Guidelines

- Always handle reloading equipment with care and follow all safety instructions.
- Ensure that you are in a wellventilated area while reloading to avoid inhalation of any harmful substances.
- Keep the reloading area clean and organized to prevent accidents.
- Store all components, including powders and primers, in a safe and secure location away from children and unauthorized individuals.
- Use personal protective equipment, such as safety glasses and gloves, while reloading.
- Familiarize yourself with the operation of your reloading press and the specific dies included in this set.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Do not exceed the recommended load data provided in the instructions.
- Always doublecheck your measurements and components before proceeding with reloading.
- Avoid distractions while reloading to maintain focus and accuracy.
- Do not use damaged or wornout tools and components.
- Ensure that the reloading press is securely mounted to a stable surface before use.
- Follow the manufacturer's instructions for each die included in the set to avoid improper use.
- Be aware of the specific characteristics and requirements of the 26 Nosler cartridge.

Instructions for Installation and Usage

1. Setup:

- Securely mount your reloading press to a stable workbench or table.
- Ensure that the area is clean and free from any obstructions.

2. Installing the Dies:

- Remove the existing die from your reloading press (if applicable).
- Select the appropriate die from the PACESETTER RIFLE THREEDIE SET:
 - Full Length Sizing Die
 - Bullet Seating Die
 - Factory Crimp Die
- Install each die into the press according to the manufacturer's instructions.

3. Using the Dies:

- Follow the load data and instructions provided with the set for each type of die.
- Use the Universal Shell Holder to securely hold the cartridge case during the resizing and seating processes.
- Use the Powder Dipper to measure the correct amount of powder for your loads.

4. Final Checks:

- After reloading, inspect each cartridge for proper assembly and function.
- Store completed ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any unused or expired components, such as powders and primers, according to local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management facility for guidance on the safe disposal of hazardous materials.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the contact information provided by the manufacturer or retailer where the product was purchased.

Thank you for prioritizing safety while using the PACESETTER RIFLE THREEDIE SETS LEE PRECISION. Your careful attention to these guidelines will help ensure a safe and enjoyable reloading experience.
