

# PREDATOR SHOOTING REST RIFLE/HANDGUN ADJUSTABLE RED

[Gun Cleaning & Chemicals](#) > [Gun Cleaning Cradles](#)

The MTM Predator Shooting Rest (PSR), with its exclusive solid four-legged stance, provides the stable, rock-solid gun rest that shooters demand of expensive heavy metal rifle rests, only at a fraction of the weight (3.5 pounds). Equally suited for rifle and handgun enthusiasts, the PSR is lightweight and fully adjustable. The PSR's butt stock support not only levels the rest to uneven surfaces but also adjusts to fit any size long gun. Remove the support completely and PSR becomes a stand-alone handgun rest or front rifle rest. A precision dialed height adjuster allows the shooter to zero in for pinpoint accuracy. The advanced design of the Predator's front rubber shooting pad offers solid contact with just about any shaped stock or barrel. If you are looking for a stable, shooting platform at a price (MSRP \$49.95) any gun enthusiast could afford, you'll want to check out MTM's Predator Shooting Rest. Predator Shooting Rest works good for all firearms. Will even adjust for different length firearms. Total length of rest is 22" out to 26.25". The front rifle pad can be adjusted 3", as high as 11.5" off the table or down to 8.5" Molded rubber pads to protect your gun and you don't even have to remove the sling swivel screw. The Predator rest is 20" wide, light weight and easy to carry!

# Safety Instruction Guide for PREDATOR SHOOTING REST RIFLE/HANDGUN

## Introduction

Thank you for choosing the MTM Predator Shooting Rest (PSR). This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the shooting rest.

## General Safety Guidelines

- Ensure that the shooting rest is used in a safe environment, away from people and animals.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Do not use the shooting rest if it appears damaged or defective.
- Store the shooting rest in a secure place when not in use to prevent unauthorized access.
- Regularly inspect the shooting rest for wear and tear, and replace any worn components if necessary.
- Be aware of your surroundings and ensure a clear line of sight when using the shooting rest.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before placing it on the shooting rest.
- Use the shooting rest only on stable, level surfaces to prevent tipping or sliding.
- Do not exceed the weight limits of the shooting rest; it is designed for firearms weighing up to 10 pounds.
- When adjusting the height of the rest, do so slowly and carefully to avoid pinching fingers.
- Never place your hands near the firearm's trigger while it is on the rest.
- Keep children and pets away from the shooting area while using the shooting rest.
- Use appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Shooting Rest:** Carefully remove the shooting rest from its packaging. Inspect for any damage or missing parts.
2. **Setup:** Place the shooting rest on a flat, stable surface. Ensure that all four legs are firmly planted on the ground.
3. **Adjust Height:** Use the precision dialed height adjuster to set the desired height for your firearm. Rotate the dial slowly until the desired height is achieved.

### Usage

1. **Placing the Firearm:**
  - Ensure the firearm is unloaded.
  - Place the butt stock of the firearm into the butt stock support of the shooting rest.
  - Adjust the support to fit the size of your firearm, ensuring it is secure.
2. **Adjusting the Front Pad:**
  - If necessary, adjust the front rifle pad height between 8.5 inches and 11.5 inches to align with your shooting position.
  - Ensure the front pad is securely in place before proceeding.

### 3. **Shooting:**

- Once the firearm is properly positioned, check that the area is clear of obstructions and people.
- Follow all safety protocols when firing the firearm, including using protective gear.

## **Disposal Instructions**

- Dispose of the shooting rest in accordance with local regulations.
- If the shooting rest is no longer usable, consider recycling materials where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact details included with the product packaging. Always ensure that you have the latest information regarding product recalls or safety updates.

Thank you for prioritizing safety while using the MTM Predator Shooting Rest. Enjoy your shooting experience responsibly!
