

# 308 AR M5 LOWER RECEIVER - AERO PRECISION M5 STRIPPED LOWER RECEIVER FOR AR .308 FDE

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

The Aero Precision M5 308 Lower Receiver allows you to build a custom big-bore AR from the ground up. Mil-spec dimensions and coating ensure the highest quality and correct component interface. Receiver fits DPMS pattern components, including magazines and upper receivers. Machined from 7075-T6 aluminum, and finished with a matte black hard-coat anodized Mil 8625 Type 3 Class 2 finish. Rear takedown pin detent hole threaded 4-40 to allow for a set screw to retain the takedown pin. Bolt catch is threaded for a screw pin, so that no roll pin is needed. Integrated trigger guard and selector markings that function with 45, 60 or 90 degree safety selectors. Accepts Battle Arms Development short throw safety selectors (100-009-866), but also functions with standard safeties.

# Safety Instruction Guide for the Aero Precision M5 .308 Lower Receiver

## Introduction

Thank you for choosing the Aero Precision M5 .308 Lower Receiver. This product is designed to allow you to build a custom bigbore AR from the ground up. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions and guidelines provided in this document.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Store the receiver and any associated components in a secure location, away from children and unauthorized users.
- Always wear appropriate eye and ear protection when handling or firing the firearm.
- Ensure that you are familiar with local laws and regulations regarding firearms and their components.
- Regularly inspect the receiver and related components for any signs of wear or damage before use.
- If you notice any irregularities or defects, do not use the product and contact a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the receiver is compatible with DPMS pattern components before installation.
- Do not attempt to modify the receiver or its components without proper knowledge and tools.
- Use only compatible magazines and upper receivers to prevent malfunctions.
- When installing the takedown pin, ensure that the set screw is securely tightened to prevent accidental disassembly.
- Be aware of the integrated trigger guard and selector markings, and ensure that they correspond with your safety selector.
- Follow all manufacturer instructions when using safety selectors, especially short throw models.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all required tools and components before beginning installation.
- Work in a clean, dry area free from distractions.

### 2. Installation Steps

- Carefully remove the Aero Precision M5 .308 Lower Receiver from its packaging.
- Inspect the receiver for any visible defects or damage.
- Install the rear takedown pin by threading it into the detent hole using a 440 set screw.
- Install the bolt catch by threading it for the screw pin, ensuring no roll pin is necessary.
- Attach the trigger guard, ensuring it is properly seated.
- Install the safety selector according to the manufacturer's instructions, ensuring it functions correctly with 45, 60, or 90degree settings.

### 3. Usage

- After installation, ensure that the firearm is properly assembled and functioning.
- Conduct a function check to verify that all components operate smoothly together.
- Always ensure the firearm is pointed in a safe direction when handling or firing.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the receiver or any components become damaged beyond repair, follow local regulations for the disposal of firearm components.
- Ensure that any disposed components do not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions regarding safety, installation, or usage of the Aero Precision M5 .308 Lower Receiver, please consult with a qualified gunsmith or contact the manufacturer directly. Ensure that you have all relevant product information available when seeking assistance.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe use and enjoyment of your Aero Precision M5 .308 Lower Receiver. Always prioritize safety and compliance with local laws and regulations when handling firearms and their components. Thank you for choosing Aero Precision.
