A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

ULTRA 20 Pistol Cleaning Mat Safety Instructions

Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat by TekMat. This product is designed to provide a safe and effective cleaning surface for your firearms. Please read and follow these safety instructions to ensure the safe use of this product.

General Safety Guidelines

- Ensure the cleaning mat is placed on a stable and flat surface before use.
- Keep the cleaning mat away from open flames or high heat sources.
- Avoid using the cleaning mat in wet or damp conditions to prevent slippage.
- Always ensure that firearms are unloaded before cleaning.
- Store the cleaning mat in a dry place when not in use.
- Regularly inspect the mat for any signs of wear or damage.

Specific Safety Precautions for Use

- Do not use sharp objects that may puncture or tear the mat.
- Avoid using harsh chemicals that can damage the surface of the mat.
- Ensure that children and pets are kept away from the cleaning area during use.
- Use the mat only for its intended purpose—cleaning firearms.
- Follow the manufacturer's instructions for disassembly and reassembly of firearms.

Instructions for Installation and Usage

1. **Placement:** Lay the ULTRA 20 Pistol Cleaning Mat on a clean, dry, and stable surface. Ensure that the mat is fully spread out and free from any obstructions.
2. **Preparation:** Before placing your firearm on the mat, ensure that it is completely unloaded. Remove all ammunition from the vicinity.
3. **Cleaning:** Use the diagrams and schematics printed on the mat for guidance on disassembling your firearm. Follow the specific cleaning instructions provided by your firearm's manufacturer.
4. **Reassembly:** After cleaning, refer again to the diagrams on the mat to properly reassemble your firearm. Make sure all parts are securely in place.
5. **PostCleaning Care:** After use, wipe the mat with a damp cloth to remove any cleaning residue. Allow it to dry completely before storage.

Disposal Instructions

- The ULTRA 20 Pistol Cleaning Mat is made from durable materials. When it reaches the end of its life, dispose of it in accordance with local regulations for rubber and synthetic materials.
- Do not incinerate the mat, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding the ULTRA 20 Pistol Cleaning Mat, please refer to the manufacturer's contact details provided on the packaging or the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ULTRA 20 Pistol Cleaning Mat. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
