

QD MOUNT - ARISAKA DEFENSE LMT SOPMOD STOCK QD MOUNT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Choose Where You Want a QD Sling Attachment Point With Minimal Bulk

Arisaka's QD Mount for KeyMod handguards allows you to place a sturdy quick detach mounting point in the lowest profile possible. The mount uses BCM's patented inverted KeyMod screws keeping the mount secure under high loads while keeping the mount thickness to a scant 0.167" when measured off the mounting surface. Color: Black Fits: KeyMod 7075 Aluminum construction Height: 0.167" Weight: 0.19 oz The Arisaka QD Mount for KeyMod handguards also features an anti-rotation design that allows the QD swivel to rest in 8 different positions.

QD Mount Arisaka Defense LMT SOPMOD Stock QD Mount Safety Instructions

Introduction

Thank you for choosing the QD Mount Arisaka Defense LMT SOPMOD Stock QD Mount. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use to ensure optimal safety and performance.

General Safety Guidelines

- Ensure that the QD Mount is compatible with your KeyMod handguard before installation.
- Do not exceed the weight limit specified for the QD Mount, which is designed to support loads under normal use conditions.
- Always inspect the QD Mount for any signs of damage or wear before each use. If any damage is found, discontinue use immediately.
- Keep the QD Mount out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local laws and regulations regarding the use of tactical equipment.

Specific Safety Precautions for Use

- When using the QD Mount, ensure that it is securely attached to the handguard before applying any load.
- Avoid using the QD Mount in extreme conditions that may compromise its integrity, such as high heat, extreme cold, or exposure to corrosive materials.
- Always use the QD swivel as intended. Do not modify or alter the QD Mount or its components.
- Be aware of your surroundings and ensure that the area is clear of obstacles when using the QD Mount.
- If you experience any difficulty during use, stop immediately and consult the installation and usage instructions.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the handguard is clean and free of debris.
- Align the QD Mount with the KeyMod slots on your handguard.
- Use the provided BCM inverted KeyMod screws to secure the mount. Tighten the screws until snug, but do not overtighten to avoid damaging the mount or handguard.
- Verify that the QD Mount is firmly attached by gently pulling on it before use.

2. Usage Instructions:

- Attach your QD swivel to the QD Mount.
- Rotate the QD swivel to select one of the 8 available positions for optimal comfort and accessibility.
- Ensure the QD swivel is fully engaged and locked in place before applying any load.
- Regularly check the QD Mount and swivel for secure attachment during use.

Disposal Instructions

- Dispose of the QD Mount in accordance with local regulations for electronic and metal waste.
- Do not dispose of the QD Mount in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the QD Mount, please contact the manufacturer or your retailer directly. They will provide assistance and address any safety inquiries you may have.

By following these safety instructions, you can ensure a safe and effective experience with your QD Mount Arisaka Defense LMT SOPMOD Stock QD Mount. Thank you for prioritizing safety!
