

# 1911 MAGAZINES .45 ACP - WILSON COMBAT 1911 MAG FULL SIZE 8-RD POLY BASE PAD-SS TUBE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Wilson Combat® has been supplying serious shooters and professionals with the worlds' most reliable and durable .45 auto magazines for the past 30 years. They are used by the worlds' most Elite U.S. Army SPEC OPS unit, FBI SWAT, Thunder Ranch and professionals worldwide. NO other .45 magazine on the market can compare for proven inherent reliability, durability and the ability to remain fully loaded for long periods of time without damage. Wilson Combat magazine springs are specially fabricated from the highest tensile strength heavy duty spring wire for long service life enhanced feeding and positive slide stop operations. Their magazine bodies are manufactured from .027" (the thickest in the industry) aircraft grade certified 17-7 PH stainless steel and heat treated for maximum durability and service life. Their dimensional tolerances are held so close that you will never encounter a Wilson magazine that doesn't drop free from your pistol or that your rounds are tight inside the tube as long as your pistol and ammo are close to proper specifications.

- Increases Reliability in ALL 1911 Pistols

# Safety Instruction Guide for Wilson Combat 1911 Magazines

## Introduction

Thank you for choosing the Wilson Combat 1911 Magazines. These magazines are designed for use with .45 ACP firearms and are built with highquality materials to ensure reliability and durability. This guide provides important safety information to help you use your magazine safely and effectively. Please read and follow these instructions carefully.

## General Safety Guidelines

- Always treat all firearms and magazines as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store magazines and firearms in a secure location, away from children and unauthorized users.
- Regularly inspect your magazine for any signs of wear or damage before use.
- Ensure that your magazine is compatible with your specific model of 1911 pistol.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Use only the recommended ammunition type (.45 ACP) in your magazine.

## Specific Safety Precautions for Use

- Do not exceed the magazine's capacity of 8 rounds.
- Avoid using damaged or worn magazines, as they may fail to function properly.
- If you experience any malfunctions while using the magazine, stop using it immediately and inspect for issues.
- Ensure that the magazine is properly seated in the firearm before attempting to fire.
- Do not attempt to modify the magazine in any way, as this may create safety hazards.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing upwards.
- Start loading rounds from the rear of the magazine, pressing each round down and back until the magazine is full.
- Ensure each round is seated properly and that the magazine is not overfilled.

### 2. Inserting the Magazine

- With the firearm pointed in a safe direction, ensure the slide is locked back.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Firing the Weapon

- After ensuring the magazine is securely in place, release the slide to chamber a round.
- Aim your firearm at the intended target and fire as per standard firearm safety practices.
- After firing, if the magazine is empty, the slide will lock back automatically.

### 4. Removing the Magazine

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to detach the magazine from the firearm.
- Inspect the magazine for any issues before reloading.

## Disposal Instructions

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash. Instead, check for local hazardous waste disposal options if necessary.
- Ensure that all ammunition is removed from the magazine before disposal.

## Contact Information for Further Support

For any questions or concerns regarding the use and safety of your Wilson Combat 1911 Magazines, please refer to the manufacturer's website or contact customer support directly. Ensure you have the product details ready for a more efficient service.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Wilson Combat 1911 Magazines. Always prioritize safety and responsible usage.
