# Safety Instruction Guide for CZ SCORPION EVO 3 PMAG MAGPUL PMAG 35 EV9

## Introduction

Thank you for choosing the CZ SCORPION EVO 3 PMAG MAGPUL PMAG 35 EV9. This magazine is designed for optimal performance and reliability. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully. It contains essential information about safe handling, installation, usage, and disposal of the product.

## General Safety Guidelines

- Always handle the magazine with care, treating it as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- Always follow the manufacturer's instructions for use and maintenance.
- Be aware of your surroundings when handling the magazine to avoid accidents.

## Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm model (CZ Scorpion EVO 3).
- Do not attempt to modify or alter the magazine in any way.
- Use only 9mm Luger ammunition with this magazine.
- Avoid overloading the magazine beyond its 35round capacity.
- Always check that the magazine is properly seated in the firearm before use.
- When loading or unloading the magazine, point it in a safe direction at all times.
- If you experience any malfunctions while using the magazine, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free from any debris.
- Hold the magazine with the feed lips facing upwards.
- Insert the first round into the magazine, pushing it down until it clicks into place.
- Continue adding rounds until the magazine is fully loaded or reaches the 35round capacity.
- Use the capacity indicator windows to monitor the number of rounds loaded.

### 2. Installing the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.
- Perform a function check to ensure the magazine is securely installed.

### 3. Removing the Magazine:

- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.
- Store the magazine safely when not in use.

#### **4. Cleaning the Magazine:**

- Disassemble the magazine by following the manufacturer's instructions.
- Clean the magazine body with a damp cloth.
- Inspect the floor plate and follower for any signs of wear or damage.
- Reassemble the magazine once it is clean and dry.

### **Disposal Instructions**

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular household waste.
- Contact local waste management facilities for guidance on proper disposal methods.

### **Contact Information for Further Support**

For any questions or concerns regarding the CZ SCORPION EVO 3 PMAG MAGPUL PMAG 35 EV9, please refer to the manufacturer's website or contact their customer service for assistance.

Please remember to report any unsafe products or accidents to the appropriate authorities and stay updated on recall notices via the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important safety instructions.
