

OPTIMIZED MATCH BARREL FOR GLOCK® 34 - OPTIMIZED MATCH BARREL FOR GLOCK 34 GEN1-4 DLC

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

ZEV Technologies Optimized Match Barrels have been redesigned for improved performance and Gen5 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels.

Safety Instruction Guide for OPTIMIZED MATCH BARREL FOR GLOCK® 34

Introduction

Thank you for choosing the ZEV Technologies Optimized Match Barrel for your Glock 34. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only with compatible Glock models as specified.
- Always handle firearms and firearm components with care and respect.
- Keep the barrel out of reach of children and unauthorized users.
- Regularly inspect the barrel for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or handling the barrel.
- Avoid using damaged or modified barrels, as they may pose safety risks.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the slide from the Glock 34 according to the manufacturer's instructions.
3. Carefully remove the factory barrel from the slide.
4. Insert the ZEV Optimized Match Barrel into the slide, ensuring it is seated properly.
5. Reassemble the slide and ensure it operates smoothly without obstruction.

Usage

- Test fire the firearm in a controlled environment to ensure proper function.
- Monitor the barrel for signs of overheating or excessive wear during use.
- Clean the barrel regularly to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not throw the barrel in regular trash; check for designated disposal facilities for firearm components.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact your local ZEV Technologies representative or visit our website for more information.

Thank you for prioritizing safety. Enjoy your enhanced shooting experience with the ZEV Optimized Match Barrel

for Glock 34.
