

# AUTOMATIC PROCESSING PRESS (APP) PRIMER POCKET SWAGE KIT - LEE PRECISION AUTOMATIC PROCESSING PRESS (APP) PRIMER POCKET SWAGE KIT

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

Removes the military crimp from the primer pocket while swaging the primer pocket of your brass. Leaves a nice smooth entry radius for new primer. Includes 22 & 30 cal. decap and flare die, swage push die, swage holder, 22 cal. and 30 cal. push rod, small swage punch and large punch, and shell holder adapter. A universal or X-PRESS shell holder is required to use with this swage kit. If you have the Deluxe APP press, it will ship with the # 2, 4 and 19 XPRESS shell holder. Note: This product is for use in the Lee APP press only.

# Safety Instruction Guide for the AUTOMATIC PROCESSING PRESS (APP) PRIMER POCKET SWAGE KIT

## Introduction

Thank you for choosing the AUTOMATIC PROCESSING PRESS (APP) PRIMER POCKET SWAGE KIT by Lee Precision. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the swage kit to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the swage kit.
- Keep the work area clean and welllit to prevent accidents.
- Store the swage kit in a secure location, out of reach of children and pets.
- Regularly inspect the swage kit for any signs of damage or wear. Do not use damaged components.
- If you experience any issues during use, stop immediately and consult the manufacturer or a qualified professional.

## Specific Safety Precautions for Use

- Only use the swage kit with the Lee APP press. Using it with other presses may cause malfunction or injury.
- Do not exceed the recommended pressure settings when using the swage kit. Refer to the product manual for specifications.
- Avoid wearing loose clothing or jewelry that could become caught in the equipment.
- Do not place fingers or any body parts near moving parts during operation.
- Ensure that all components are securely attached before beginning the swaging process.
- Be aware of your surroundings and ensure that no one is within the danger zone while operating the swage kit.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Lee APP press is placed on a stable, flat surface.
- Attach the swage holder to the press according to the manufacturer's instructions.
- Insert the appropriate push die and shell holder adapter into the press.
- Ensure that all parts are securely fastened before proceeding.

### 2. Using the Swage Kit:

- Prepare your brass cases by ensuring they are clean and free from debris.
- Insert the brass case into the shell holder adapter.
- Adjust the press to the correct setting for swaging.
- Slowly operate the press to swage the primer pocket, ensuring a smooth and controlled motion.
- After completing the swaging process, remove the brass case and inspect it for proper swaging.

### 3. PostUsage Care:

- Clean the swage kit components after each use to prevent corrosion and ensure longevity.
- Store the swage kit in a dry place to prevent moisture damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in household waste. Follow local guidelines for hazardous waste disposal if applicable.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with your product. It is important to have the product details available when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the AUTOMATIC PROCESSING PRESS (APP) PRIMER POCKET SWAGE KIT. Thank you for your attention to safety, and enjoy your reloading experience!
