[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

An Enhancement Kit for Your Gen 3/4 Glock

We may be on Gen 5 guns from Glock's perspective, but Apex Tactical isn't forgetting all of you who are still running those tried-and-true Gen 3 and Gen 4 guns. This Action Enhancement Trigger Kit is designed as a drop-in replacement for several of your factory trigger components and it'll ensure a better shooting experience. Each Apex Tactical Action Enhancement Trigger Kit ships with a trigger body, Performance Connector and an Ultimate Safety Plunger. However, this particular kit does not ship with a trigger bar, so consumers will have to mount this Apex trigger body onto the OEM trigger bar. The new trigger, connector and plunger all work together to provide a lower trigger-pull weight, shortened trigger travel, a reduced reset and a crisp, clean trigger break. Trigger shoes are available with either a black or red finish. Even with all of these enhancements, the Apex Tactical Action Enhancement Trigger Kit maintains all factory safety values, since the trigger includes a center-mounted pivoting safety. The kit will fit Gen 3 and Gen 4 models of the following Glock pistols: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38 and G39."

Safety Instruction Guide for ACTION ENHANCEMENT TRIGGER KIT WITHOUT BAR FOR GLOCKS GEN 3/4

Introduction

Thank you for choosing the ACTION ENHANCEMENT TRIGGER KIT WITHOUT BAR FOR GLOCKS GEN 3/4 by APEX TACTICAL SPECIALTIES INC. This product is designed to enhance your shooting experience while maintaining safety standards. Please read this guide carefully to ensure safe use and installation of the trigger kit.

General Safety Guidelines

- **Product Safety:** This product is designed to meet the safety requirements outlined by the EU General Product Safety Regulation (GPSR). Ensure safe use by following all instructions provided.
- **Hazard Identification:** Potential hazards include improper installation, which could lead to malfunction or unsafe operation of your firearm.
- **Consumer Protections:** If you encounter any issues with this product, you are encouraged to report unsafe products to the relevant authorities.
- **Recall Information:** Stay informed about product recalls through the EU's Safety Gate platform.
- **Vulnerable Groups:** This product is not intended for use by children. Always keep firearms and related components out of reach of minors.

Specific Safety Precautions for Use

- **Installation:** Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- **Compatibility:** Confirm that your Glock model is compatible with the Action Enhancement Trigger Kit (Gen 3 and Gen 4 models).
- **Trigger Safety:** The trigger includes a centermounted pivoting safety. Do not disable or modify this safety feature.
- **Testing:** After installation, conduct a thorough function check to ensure the trigger operates safely and correctly.
- **Supervision:** If you are inexperienced with firearm modifications, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation (e.g., punch tool, hammer).

2. Disassembly of the Firearm:

- Follow the manufacturer's guidelines to disassemble your Glock.
- Remove the factory trigger components carefully.

3. Installation of the Trigger Kit:

- Insert the Apex trigger body onto the OEM trigger bar.
- Install the Performance Connector and Ultimate Safety Plunger according to the provided instructions.

- Ensure all components are seated properly and securely.

4. Reassembly of the Firearm:

- Reassemble your Glock following the manufacturer's guidelines.
- Ensure all parts are reinstalled correctly.

5. Function Check:

- Perform a function check of the trigger to ensure proper operation.
- Test the trigger pull, reset, and safety function in a controlled environment.

6. Usage:

- Always follow safe handling practices when using your firearm.
- Regularly inspect the trigger kit for wear or damage.

Disposal Instructions

- Dispose of any packaging materials and old trigger components in accordance with local waste disposal regulations.
- Ensure that any disposed parts are kept out of reach of children and pets.

Contact Information for Further Support

For further assistance or inquiries regarding the ACTION ENHANCEMENT TRIGGER KIT WITHOUT BAR FOR GLOCKS GEN 3/4, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can enjoy a safer and enhanced shooting experience. Thank you for prioritizing safety and responsible firearm use.
