

VIPER HD 85MM RETICLED EYEPiece - 33.5X VIPER HD RETICLED EYEPiece, MOA

[Home](#)

Turn your Vortex Viper® HD 85mm spotting scope into the perfect optical measuring stick for range work and spotter-to-shooter communication. A fixed magnification of 33.5x gives you all the power you need, and the eyepiece has a diopter ring and the ability to rotate the reticle to level it with the horizon line, allowing you to dial the eyepiece to your eye and your shooting scenario. XR™ and ArmorTek® lens coatings keep your view through the HD optical system crystal clear, and you get your choice of MOA or MRAD. Only compatible with Viper® HD 85mm models. 33.5x Magnification Ranging Reticle

VIPER HD 85MM RETICLED EYEPIECE Safety Instructions

Introduction

Thank you for choosing the VIPER HD 85MM RETICLED EYEPIECE. This product is designed to enhance your optical experience and provide precise measurements for shooting and range work. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the eyepiece in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Ensure that the eyepiece is used only with the Vortex Viper® HD 85mm spotting scope.
- Keep the eyepiece out of reach of children and vulnerable individuals to prevent misuse.
- Regularly inspect the eyepiece for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of optical devices and firearms.

Specific Safety Precautions for Use

- Do not look directly at the sun or other intense light sources through the eyepiece, as this may cause serious eye damage.
- Use the diopter ring to adjust the focus according to your eyesight before using the eyepiece.
- Always ensure that the reticle is leveled with the horizon line to avoid miscalculations during shooting.
- When adjusting the eyepiece, do so in a safe environment, away from distractions and potential hazards.
- If you experience any discomfort or visual disturbances while using the eyepiece, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Vortex Viper® HD 85mm spotting scope is securely mounted.
- Align the eyepiece with the scope's eyepiece socket and gently rotate it until it clicks into place.
- Check that the eyepiece is securely attached before use.

2. Usage:

- Adjust the diopter ring to suit your eyesight. This may require some trial and error for optimal clarity.
- Rotate the reticle to align it with the horizon line before taking measurements.
- Use the fixed magnification of 33.5x to enhance your viewing and measuring capabilities.
- After use, store the eyepiece in a protective case to prevent damage.

Disposal Instructions

- Dispose of the eyepiece responsibly according to local regulations for electronic waste.
- Do not dispose of the eyepiece in regular household waste.
- Consider recycling options for any materials that can be recycled.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VIPER HD 85MM RETICLED EYEPIECE. Thank you for your attention to these important guidelines.
