TLR RM 2 Rail Mounted Tactical Lighting System

Safety Instructions

Introduction

Thank you for choosing the TLR RM 2 Rail Mounted Tactical Lighting System. This guide provides important safety instructions and information to ensure the safe and effective use of your lighting system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the TLR RM 2 is used in accordance with the manufacturer's instructions.
- Keep the lighting system away from children and vulnerable individuals.
- Regularly inspect the device for any signs of damage or wear.
- Use only the specified battery type (CR123A) to avoid risk of malfunction.
- Do not modify or attempt to repair the lighting system yourself.
- Be aware of your surroundings when using the light, as it may cause temporary blindness to others if shone directly into their eyes.
- Follow all local laws and regulations regarding the use of tactical lighting systems.

Specific Safety Precautions for Use

- Always ensure the mounting clips are securely attached before use.
- Avoid using the remote pressure switch in wet or damp conditions unless the device is rated for such use.
- Do not exceed the recommended battery life to prevent leakage or damage to the device.
- If the light flickers or dims, replace the batteries immediately.
- Store the lighting system in a cool, dry place when not in use.
- Be cautious when operating the light in lowvisibility conditions to avoid accidents.

Instructions for Installation and Usage

1. Installation

- Identify the mounting location on your long gun.
- Use the provided rail locating keys to position the TLR RM 2 securely on the rail.
- Attach the mounting clips to ensure stability.
- If using the remote pressure switch, position it in a location that allows for easy access during operation.

2. Usage

- To activate the light, press the pushbutton switch located on the tail cap.
- For continuous operation, press the switch and rotate it to lock in place.
- To use the remote pressure switch, connect it to the TLR RM 2 and press the switch to activate the light.
- Always check the functionality of the light before use to ensure it is operational.

Disposal Instructions

- Dispose of the TLR RM 2 in accordance with local regulations regarding electronic waste.
- Remove and properly dispose of batteries to prevent environmental contamination.
- Do not throw the device in household trash; instead, take it to a designated recycling facility.

Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please consult the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your TLR RM 2 Rail Mounted Tactical Lighting System responsibly.
