# TLR RM 2 Rail Mounted Tactical Lighting System

## Safety Instructions

### Introduction

Thank you for choosing the TLR RM 2 Rail Mounted Tactical Lighting System. This guide provides essential safety instructions and information to ensure safe and effective use of your new tactical lighting system. Please read this manual carefully before installation and use.

### General Safety Guidelines

- Ensure that the TLR RM 2 is used only as intended and in accordance with the instructions provided in this manual.
- Always keep the lighting system out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not modify or tamper with the TLR RM 2 or its components.
- If you notice any unusual behavior or performance issues, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of weaponmounted lights.

### Specific Safety Precautions for Use

- **Risk of Injury:** The TLR RM 2 is a powerful lighting device. Avoid shining the light directly into anyone's eyes, as this may cause temporary blindness or discomfort.
- **Battery Safety:** Use only the recommended CR123A lithium batteries. Improper battery use can lead to leakage, overheating, or explosion.
- **Heat Generation:** The TLR RM 2 may become hot during prolonged use. Allow the unit to cool down before handling.
- **Water Resistance:** While the TLR RM 2 is designed to be waterresistant, avoid submerging it in water. Ensure all seals are intact before exposure to moisture.
- **Proper Mounting:** Ensure that the mounting clips are securely attached to prevent the light from detaching during use.

### Instructions for Installation and Usage

#### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including the provided rail locating keys and mounting clips.
2. **Select Mounting Location:** Choose a suitable location on your long gun where the TLR RM 2 can be easily accessed and operated.
3. **Attach the Mounting Clips:**
  - Align the mounting clips with the rail system of your firearm.
  - Securely fasten the clips using the provided hardware.
4. **Install the Tail Cap Switch:**
  - Remove the tail cap from the TLR RM 2.
  - Connect the tail cap switch to the TLR RM 2.
  - Replace the tail cap, ensuring a tight fit.
5. **Connect the Remote Pressure Switch:**
  - Attach the remote pressure switch to the designated area on your firearm.
  - Ensure it is positioned for easy access during operation.
6. **Insert Batteries:**
  - Open the battery compartment.

- Insert two CR123A lithium batteries, ensuring the correct polarity is observed.
- Close the battery compartment securely.

## Usage

### 1. **Turning On/Off:**

- Press the pushbutton switch to turn the light on or off.
- Use the remote pressure switch for momentary activation while maintaining control of your firearm.

2. **Adjusting Light Output:** The TLR RM 2 provides a maximum output of 1000 lumens. Use the switch to select the desired brightness level.

3. **Maintenance:** Regularly clean the exterior of the TLR RM 2 with a soft, dry cloth. Avoid using harsh chemicals or solvents.

## Disposal Instructions

- Dispose of the TLR RM 2 and its components in accordance with local regulations regarding electronic waste.
- Properly recycle batteries at designated recycling centers to prevent environmental harm.

## Contact Information for Further Support

For any questions or concerns regarding the TLR RM 2 Rail Mounted Tactical Lighting System, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and responsible usage. Enjoy your TLR RM 2 lighting system!
