# Safety Instruction Guide for Cross Armory Slide Parts Kits for Glock® 17 Gen 3

## Introduction

Thank you for choosing the Cross Armory Slide Parts Kit for your Glock® 17 Gen 3. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure you are in a safe environment when working with firearm parts.
- Keep all parts out of reach of children and unauthorized users.
- Inspect all components for damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and use.
- Always wear safety glasses when handling or installing firearm parts.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before beginning any installation or maintenance.
- Do not attempt to modify the parts or use them for any purpose other than intended.
- Use only the specified parts for Glock® 17 Gen 3. Compatibility with other models is not guaranteed.
- Be aware of potential pinch points during installation.
- Ensure all components are properly secured before using the firearm.
- Regularly check the integrity of the installed parts to prevent malfunctions.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and welllit.
- Gather all necessary tools before beginning the installation.

### 2. Installation Steps

- **Remove the Slide:** Ensure your Glock® 17 Gen 3 is unloaded. Remove the slide from the frame.
- **Install the Recoil Spring Assembly:** Insert the recoil spring assembly with the stainless steel guide rod into the slide.
- **Install the Firing Pin:** Place the stainless steel firing pin into the firing pin channel.
- **Insert the Firing Pin Spring:** Insert the firing pin spring and ensure it is seated properly.
- **Install Firing Pin Spring Cups:** Place the firing pin spring cups on both ends of the firing pin spring.
- **Install the Spacer Sleeve:** Slide the spacer sleeve into place.
- **Install the Firing Pin Block:** Insert the firing pin block into the designated area.
- **Install the Firing Pin Block Spring:** Place the firing pin block spring in its position.
- **Install the Extractor:** Insert the extractor into the slide.
- **Install the Extractor Depressor Plunger:** Place the extractor depressor plunger in its designated position.
- **Install the Slide Cover Plate:** Secure the slide cover plate made of aluminum onto the slide.
- **Install the Slide Channel Liner:** Insert the slide channel liner to complete the installation.

### **3. Final Checks**

- After installation, visually inspect all components to ensure they are correctly positioned and secured.
- Reattach the slide to the frame and perform a function check to ensure proper operation.

## **Disposal Instructions**

- Dispose of any packaging materials and old parts in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Cross Armory Slide Parts Kit for Glock® 17 Gen 3, please refer to the manufacturer's contact information provided with your product.

Please retain this guide for future reference and ensure all users of the product are aware of these safety instructions. Thank you for prioritizing safety while using your Cross Armory Slide Parts Kit.
