Safety Instruction Guide for Cross Armory Slide Parts Kits for Glock® 19 Gen 3

Introduction

Thank you for choosing the Cross Armory Slide Parts Kits for Glock® 19 Gen 3. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of your product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that all components are compatible with your Glock® 19 Gen 3.
- Always handle firearms and related parts with care and in accordance with local laws.
- Store all parts in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect the slide parts for wear and damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling or installing slide parts.
- Ensure the firearm is unloaded before beginning any installation or maintenance work.
- Do not attempt to modify or alter any parts, as this may lead to unsafe conditions.
- Follow all manufacturer instructions closely when installing or using the slide parts.
- If you are unsure about any aspect of installation or usage, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the Slide Parts Kit.
- Ensure a clean working environment to avoid losing any small parts.

2. Installation Steps

- **Recoil Spring Assembly:** Insert the recoil spring assembly with the stainless steel guide rod into the slide.
- **Firing Pin:** Place the stainless steel firing pin into the appropriate slot in the slide.
- **Firing Pin Spring:** Install the firing pin spring and ensure it is seated correctly.
- **Firing Pin Spring Cups:** Position the firing pin spring cups as specified in the manufacturer's instructions.
- **Spacer Sleeve:** Insert the spacer sleeve into the designated area.
- **Firing Pin Block:** Install the firing pin block followed by the firing pin block spring.
- **Extractor:** Attach the extractor and ensure it is secured.
- **Extractor Depressor Plunger:** Install the extractor depressor plunger.
- **Slide Cover Plate:** Finally, place the aluminum slide cover plate onto the slide.

3. PostInstallation Check

- After installation, visually inspect all components to ensure proper placement and secure fitting.
- Conduct a function check to ensure the slide operates smoothly.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not throw away parts in regular household waste; instead, follow your local hazardous waste disposal guidelines.
- Ensure that any disposed items do not pose a safety risk to others.

Contact Information for Further Support

For further support, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for any inquiries.

Thank you for prioritizing safety and compliance while using the Cross Armory Slide Parts Kits for Glock® 19 Gen 3. Enjoy your product responsibly!
