## SIDE FOLDING FIXED EXTRUDED STOCK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

A fan-favorite stock just got an upgrade. The Side Folding Extruded Stock from Midwest Industries takes design cues from traditional AK-47 stocks, adding on modern features and functions for enhanced usability. This all-in-one folding stock is a game-changer for any rifle with a Picatinny rail—not just the AK-47. The skeletonized body and ergonomically curved top surface create a comfortable operating experience, while the rigid triangular design with a tight lockup promises the stability of a fixed stock. And when it's time to head home from the range, the compact folding action makes storage and transportation a breeze. Heavy-duty side-folding mechanism constructed from 4140 heat treated steel Full-length locking lug for maximum strength Solid positive lock up in both positions Steel clamp with large surface engagement Can be configured to right- or left-folding Curved top surface for a comfortable cheek weld Features 5 QD sling attachments

# Safety Instruction Guide for SIDE FOLDING FIXED EXTRUDED STOCK

## Introduction

Thank you for choosing the SIDE FOLDING FIXED EXTRUDED STOCK by Midwest Industries. This product is designed for enhanced usability and performance. Please read this safety instruction guide carefully to ensure safe and proper use of the stock.

## General Safety Guidelines

- Ensure that the stock is compatible with your firearm before use.
- Always handle firearms and accessories with care and respect.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the stock.
- Use the stock only with firearms that have a Picatinny rail.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- Do not exceed the manufacturer's specified weight limits for the stock.
- Ensure that the folding mechanism is fully engaged before using the firearm.
- Always check the locking lug and clamp for secure engagement before use.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Attach the Stock:

- Align the stock with the Picatinny rail on your firearm.
- Securely fasten the stock using the provided hardware. Ensure all screws are tightened properly.

#### 3. Check the Locking Mechanism:

- Verify that the fulllength locking lug is engaged and that the stock is firmly attached.

### Usage

#### 1. Folding the Stock:

- To fold, release the locking mechanism and gently pivot the stock to the side until it locks into the folded position.

#### 2. Unfolding the Stock:

- To unfold, pull the stock outwards until it clicks into the locked position. Ensure it is securely locked before use.

### **3. Using the Stock:**

- Place your cheek against the curved top surface for a comfortable cheek weld.
- Ensure that the stock is stable and secure before firing.

## **Disposal Instructions**

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged or no longer usable, consider recycling metal components where possible.
- Do not dispose of the stock in household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product performance, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and for your responsible use of the SIDE FOLDING FIXED EXTRUDED STOCK.
