# P320/P250 Grip Module Safety Instructions

## Introduction

Thank you for choosing the P320/P250 Grip Module Carry 9/40/357. This product is designed to provide a reliable and comfortable grip for your P320 or P250 firearm. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that your firearm is unloaded before installing the grip module.
- Keep the grip module and all firearm components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your grip module for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the grip module is compatible with your P320 or P250 firing control unit.
- Use only the specified slides and barrels (9mm Luger, .357 SIG, and .40 S&W) with this grip module.
- Do not modify the grip module or any firearm components.
- Always wear appropriate eye and ear protection when using your firearm.
- Avoid using the firearm in wet or slippery conditions to prevent loss of control.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation of the Grip Module:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the firing control unit from your existing grip module.
- Align the firing control unit with the new grip module.
- Carefully insert the firing control unit into the grip module until it is securely in place.
- Ensure that the module is properly seated and that there are no gaps.

### 2. Usage:

- Familiarize yourself with the grip and controls before firing.
- Practice proper shooting stance and grip techniques.
- Always keep the firearm pointed in a safe direction when not in use.
- Store your firearm securely when not in use to prevent unauthorized access.

## Disposal Instructions

- Dispose of any damaged or worn grip modules in accordance with local regulations.
- Do not throw the grip module in regular household waste. Instead, consult local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the appropriate EU-based contact point for assistance.

Thank you for prioritizing safety and responsible usage of your P320/P250 Grip Module. Enjoy your shooting experience while adhering to these guidelines.
