# P320/250 Grip Module Carry Safety Instructions

## Introduction

Thank you for choosing the P320/250 Grip Module Carry. This product is designed for use with the P320 and P250 firing control units, providing a reliable and comfortable grip for your firearm. Your safety is our priority, and we encourage you to read this guide carefully to ensure safe and proper usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm securely and out of reach of children and unauthorized users.
- Use only compatible slides and barrels as specified in the product description.
- Regularly inspect your firearm and grip module for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the grip module is securely attached to the firing control unit before use.
- Do not modify the grip module or use it in a manner not intended by the manufacturer.
- Avoid using the grip module in wet or humid conditions to prevent damage.
- If you experience any difficulties during installation or usage, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation of the Grip Module:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the firing control unit from the original grip module.
- Align the firing control unit with the new grip module.
- Press firmly until the firing control unit clicks into place.
- Check that the grip module is securely attached by gently pulling on it.

### 2. Usage:

- Grip the firearm firmly with both hands.
- Align your sights with the target before pulling the trigger.
- Maintain control of the firearm at all times, especially during recoil.

### 3. Maintenance:

- Regularly clean the grip module with a soft cloth to remove dirt and debris.
- Inspect the grip module for any signs of wear or damage before each use.

## Disposal Instructions

- Dispose of the grip module in accordance with local regulations regarding plastic waste.
- Do not incinerate the grip module, as it may release harmful chemicals.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of your P320/250 Grip Module Carry, please contact the manufacturer or your local authorized dealer. Ensure you have your product details ready for efficient assistance.

## **Conclusion**

Your safety and satisfaction are paramount. By following these guidelines, you can ensure a safe and enjoyable experience with your P320/250 Grip Module Carry. Always stay informed about best practices and legal requirements regarding firearm usage. Thank you for your commitment to safety.
