# P320/P250 Grip Module Safety Instructions

## Introduction

Thank you for choosing the P320/P250 Grip Module Carry 9/40/357. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product properly.

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that you are familiar with the laws and regulations regarding firearms in your area.
- Keep the Grip Module and all firearms out of reach of children and unauthorized persons.
- Inspect the Grip Module for any damage before use. Do not use if damaged.
- Never modify the Grip Module or any firearm components. Unauthorized modifications can lead to malfunctions and safety hazards.
- Store your Grip Module and firearms in a secure location when not in use.

## Specific Safety Precautions for Use

- Use only the specified slides and barrels for the P320/P250 Grip Module. This product is compatible with 9mm Luger, .357 SIG, and .40 S&W calibers.
- Ensure that the firing control unit is properly installed in the Grip Module before use.
- Always ensure the firearm is unloaded before installation or maintenance.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings when handling firearms. Ensure that you have a safe backdrop and that no one is in your line of fire.
- If you are a beginner, seek guidance from a qualified instructor before using firearms.

## Instructions for Installation and Usage

### 1. Installation of the Firing Control Unit:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the slide and barrel from the firearm.
- Insert the firing control unit into the Grip Module. Ensure it is seated properly.
- Reattach the slide and barrel, ensuring that all components are secure.

### 2. Usage:

- Always check that the firearm is in a safe condition before handling.
- Load the firearm only when you are ready to shoot.
- Follow all standard operating procedures for shooting, including proper stance, grip, and aiming techniques.

### 3. PostUse:

- Clean and maintain the Grip Module and firearm according to the manufacturer's recommendations.
- Store the Grip Module and firearm securely after use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the Grip Module in regular household waste. Check with local authorities for proper disposal methods for polymer materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the P320/P250 Grip Module, please reach out to the manufacturer or your local retailer for assistance. Always ensure you have the most up to date safety information and product guidelines.
