

# P80 PS9 STANDARD SLIDE - POLYMER80 P80 G17 GEN3 STANDARD SLIDE BLACK NITRIDE

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

## A Stripped Slide Milled With Aggressive Serrations and Low-Profile Features

In the middle of a Polymer80 build? Maybe you're looking to build up a factory-produced Glock frame? Whatever the answer, Polymer80 has more than just frames for you to work with. This P80 PS9 Standard Slide is completely stripped of parts, so you can choose exactly what goes into your gun, but all the metal is finished and hardened, so everything left is easy to do! Each Polymer80 PS9 Standard Slide is machined from 17-4 PH stainless steel, which is heat-treated to a 42-43 Rockwell Hardness for durability, then finished in an attractive, durable black-nitride treatment. This slide is compatible with Gen 3 models of the Glock G17 and G19, as well as Polymer80 PF940V2 and PF940C frames. This is the stripped slide only. All other components must be purchased separately.

## Attributes

- Name: [POLYMER80 P80 G17 GEN3 STANDARD SLIDE BLACK NITRIDE](#)

# P80 PS9 Standard Slide Safety Instructions

## Introduction

Thank you for choosing the P80 PS9 Standard Slide. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before using the slide.

## General Safety Guidelines

- Ensure that the P80 PS9 Standard Slide is used only with compatible frames, specifically Gen 3 Glock models G17 and G19, as well as Polymer80 PF940V2 and PF940C frames.
- Always treat the slide as if it is loaded, even when it is not.
- Keep the slide and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Store the slide in a secure location to prevent unauthorized access.

## Specific Safety Precautions for Use

- *Hazard Identification:* Improper handling or installation can lead to serious injury or death.
- *Avoid Modifications:* Do not modify the slide in any way. Unauthorized modifications can compromise safety and functionality.
- *Use Protective Gear:* Always wear appropriate safety gear, including eye protection, when handling firearms.
- *Check Compatibility:* Ensure that all components used with the slide are compatible and in good working condition.
- *Seek Professional Assistance:* If you are unsure about installation or usage, seek help from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the necessary tools and a clean workspace.
- Confirm that the frame you are using is compatible with the P80 PS9 Standard Slide.
- Align the slide with the frame, ensuring proper fit.
- Secure the slide in place according to the manufacturer's instructions for your specific frame model.

### 2. Usage:

- Load the firearm only when you are ready to shoot.
- Always point the firearm in a safe direction.
- Keep your finger off the trigger until you are ready to fire.
- After use, unload the firearm in a safe area.

## Disposal Instructions

- Dispose of the P80 PS9 Standard Slide in accordance with local regulations regarding firearm components.
- If the slide is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the P80 PS9 Standard Slide, please contact the appropriate support services in your region.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your P80 PS9 Standard Slide. Thank you for your attention to these important guidelines.
