

BOLT-ACTION 338 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 338 CALIBER 9.4 TWIST 26" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

BOLTACTION 338 CALIBER CARBON FIBER BARRELS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BOLTACTION 338 CALIBER CARBON FIBER BARRELS from PROOF Research. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read this guide carefully before handling or using the barrel.

General Safety Guidelines

- Ensure that the barrel is installed by a qualified gunsmith.
- Always follow local laws and regulations regarding firearm usage and modifications.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Regularly inspect the barrel for signs of wear, damage, or defects.
- Do not use the barrel if it shows any signs of damage or if it has been involved in an accident.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle firearms with care, treating every firearm as if it is loaded.
- Use the barrel only with compatible firearms and ammunition.
- Avoid exposing the barrel to extreme temperatures or harsh weather conditions.
- Do not attempt to modify the barrel or perform unauthorized repairs.
- Wear appropriate safety gear, such as eye and ear protection, when using firearms equipped with this barrel.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation

- Have the barrel installed by a qualified gunsmith to ensure proper threading and chambering.
- Ensure that all components are compatible and securely fitted.

2. Usage

- Before firing, check that the barrel is clean and free of obstructions.
- Follow the manufacturer's recommendations for ammunition type and load.
- Fire the firearm in a controlled environment, adhering to all safety protocols.
- After use, clean the barrel according to the manufacturer's instructions to maintain performance and longevity.

Disposal Instructions

- Dispose of any damaged or obsolete barrels in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For further assistance or safety inquiries, please refer to the contact information provided by your retailer or the

manufacturer. Always ensure that you have access to support when needed.

By following these guidelines and instructions, you can help ensure your safety and the safety of others while using the BOLT ACTION 338 CALIBER CARBON FIBER BARRELS. Thank you for your attention to these important safety measures.
